

STOCK 7

The ultimate bedroom
refit solution

blueleaf 
care

1

Choose from 8
bedroom schemes

2

Fast delivery
with UK stock

3

Maximise
occupancy levels

Avoid the cost of empty bedrooms.

A traditional bedroom refresh can take six to eight weeks to be delivered and even longer if you take into account the design process.

That's why we created Stock 7 - a bedroom refurbishment option that offers a quick turnaround, comprehensive styling and lasting returns.

Easy to order

Ordering Stock 7 is made easy with our online configurator.
Simply contact your local Account manager to set up your account.

ISO9001

As an ISO9001 accredited company, we make sure that our products meet both customer and regulatory requirements

7 ways you'll benefit from our 7 working days service

Reduce lead times

No more waiting six weeks or longer for delivery. With Stock 7 you'll get your products within seven working days, no matter where you are.

Simplify procurement

Accurately set budgeted costs for bedroom refurbishments across your care home group to simplify procurement and allow for effective planning.

Increase quality

Put together by a team of visionary designers who specialise in social care design, every aspect of the Stock 7 range has been meticulously thought out.

Remove hassle

Forget about the stress of trying to match furniture with furnishings and colour schemes. Instead, enjoy the controlled freedom that comes from your choice of eight pre-designed schemes.

Enhance your interior environment

Stock 7 empowers you to maintain a consistently high standard of design across your care home group.

Maximise return on your investment

Say goodbye to empty, unused rooms and prolonged lead times. With Stock 7, you'll achieve a return on your investment quickly.

Boost revenue

Upgrading your care home rooms gives you the power to increase your fees. What's more, Stock 7 delivers an additional five to seven weeks of revenue, when compared to traditional refurbishment options.

Chelsea Chair

This is the back!

A collage of interior design items. At the top left, a piece of floral fabric with red and yellow flowers on a light background. To its right, a red flower. Below the flower, a brown leather armchair. To the right of the chair, a dark brown cushion and a floral cushion. Below the chair, four circular color swatches in shades of grey, yellow, orange, and brown. To the right of the swatches, a patterned cushion and a floral cushion. The text 'This is the back!' with an arrow points to the patterned cushion.
