KING RICHARD'S RESERVE PINOT NOIR

RUSSIAN RIVER VALLEY · BOTTLED 8-2-22

A superb growing season resulted in an exceptional release of this year's King Richard's Reserve. A cool winter gave way to an idyllic spring and warm summer to produce a brilliant vintage of ripe and aromatic fruit. Captivating notes of lavender and dried spices are followed by a juicy mid-palate filled with plums and black cherries. A beautiful, long and silky finish of fine-coated tannins combined with dark fruit reflects the extraordinary legacy of the Russian River Valley.
