Our Expertise

Helping your business stand out for all the right reasons.

Brand & Growth Strategy

Strategy is key to success. We can help you develop a comprehensive brand strategy that aligns with your business goals and objectives.

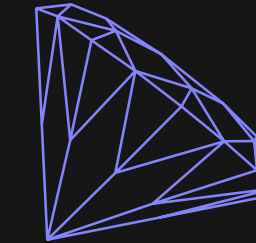

Brand Identity & Design

Our specialty is creating unique brand identities that reflect your business values and resonate with your ideal clients.

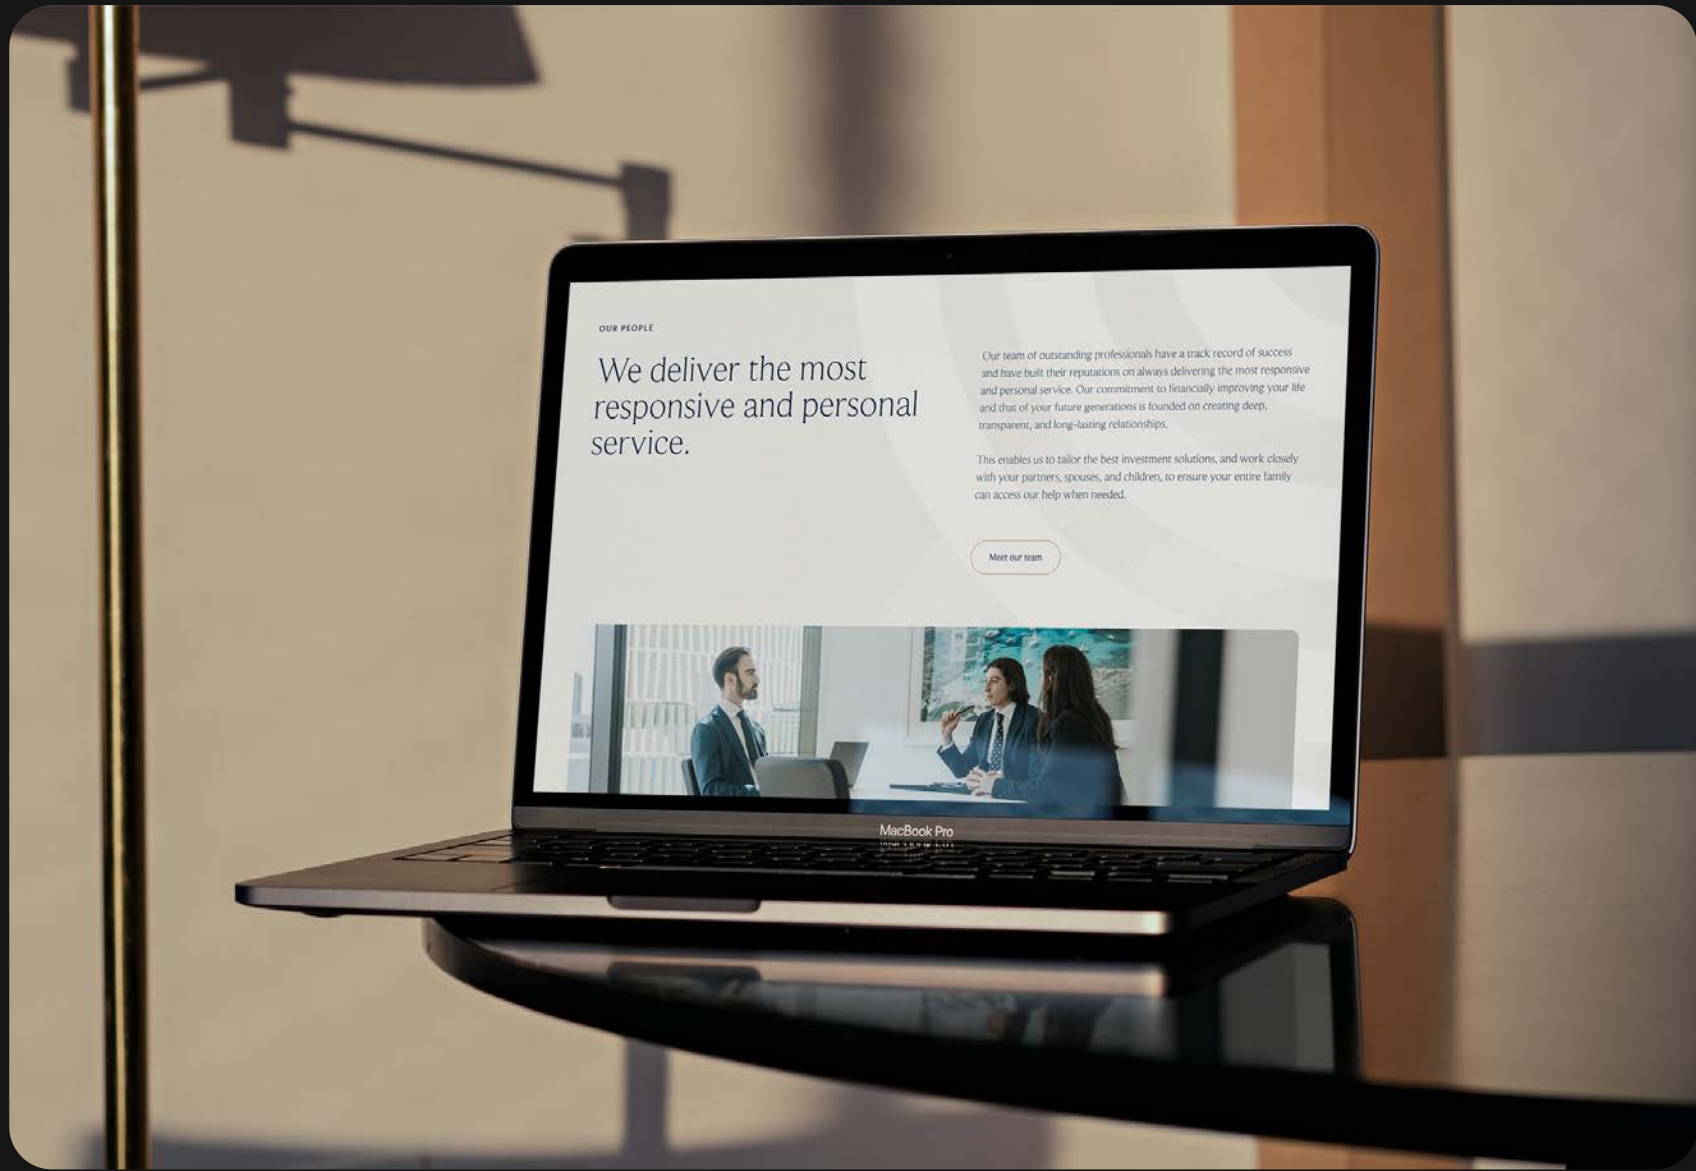

Website Design & Development

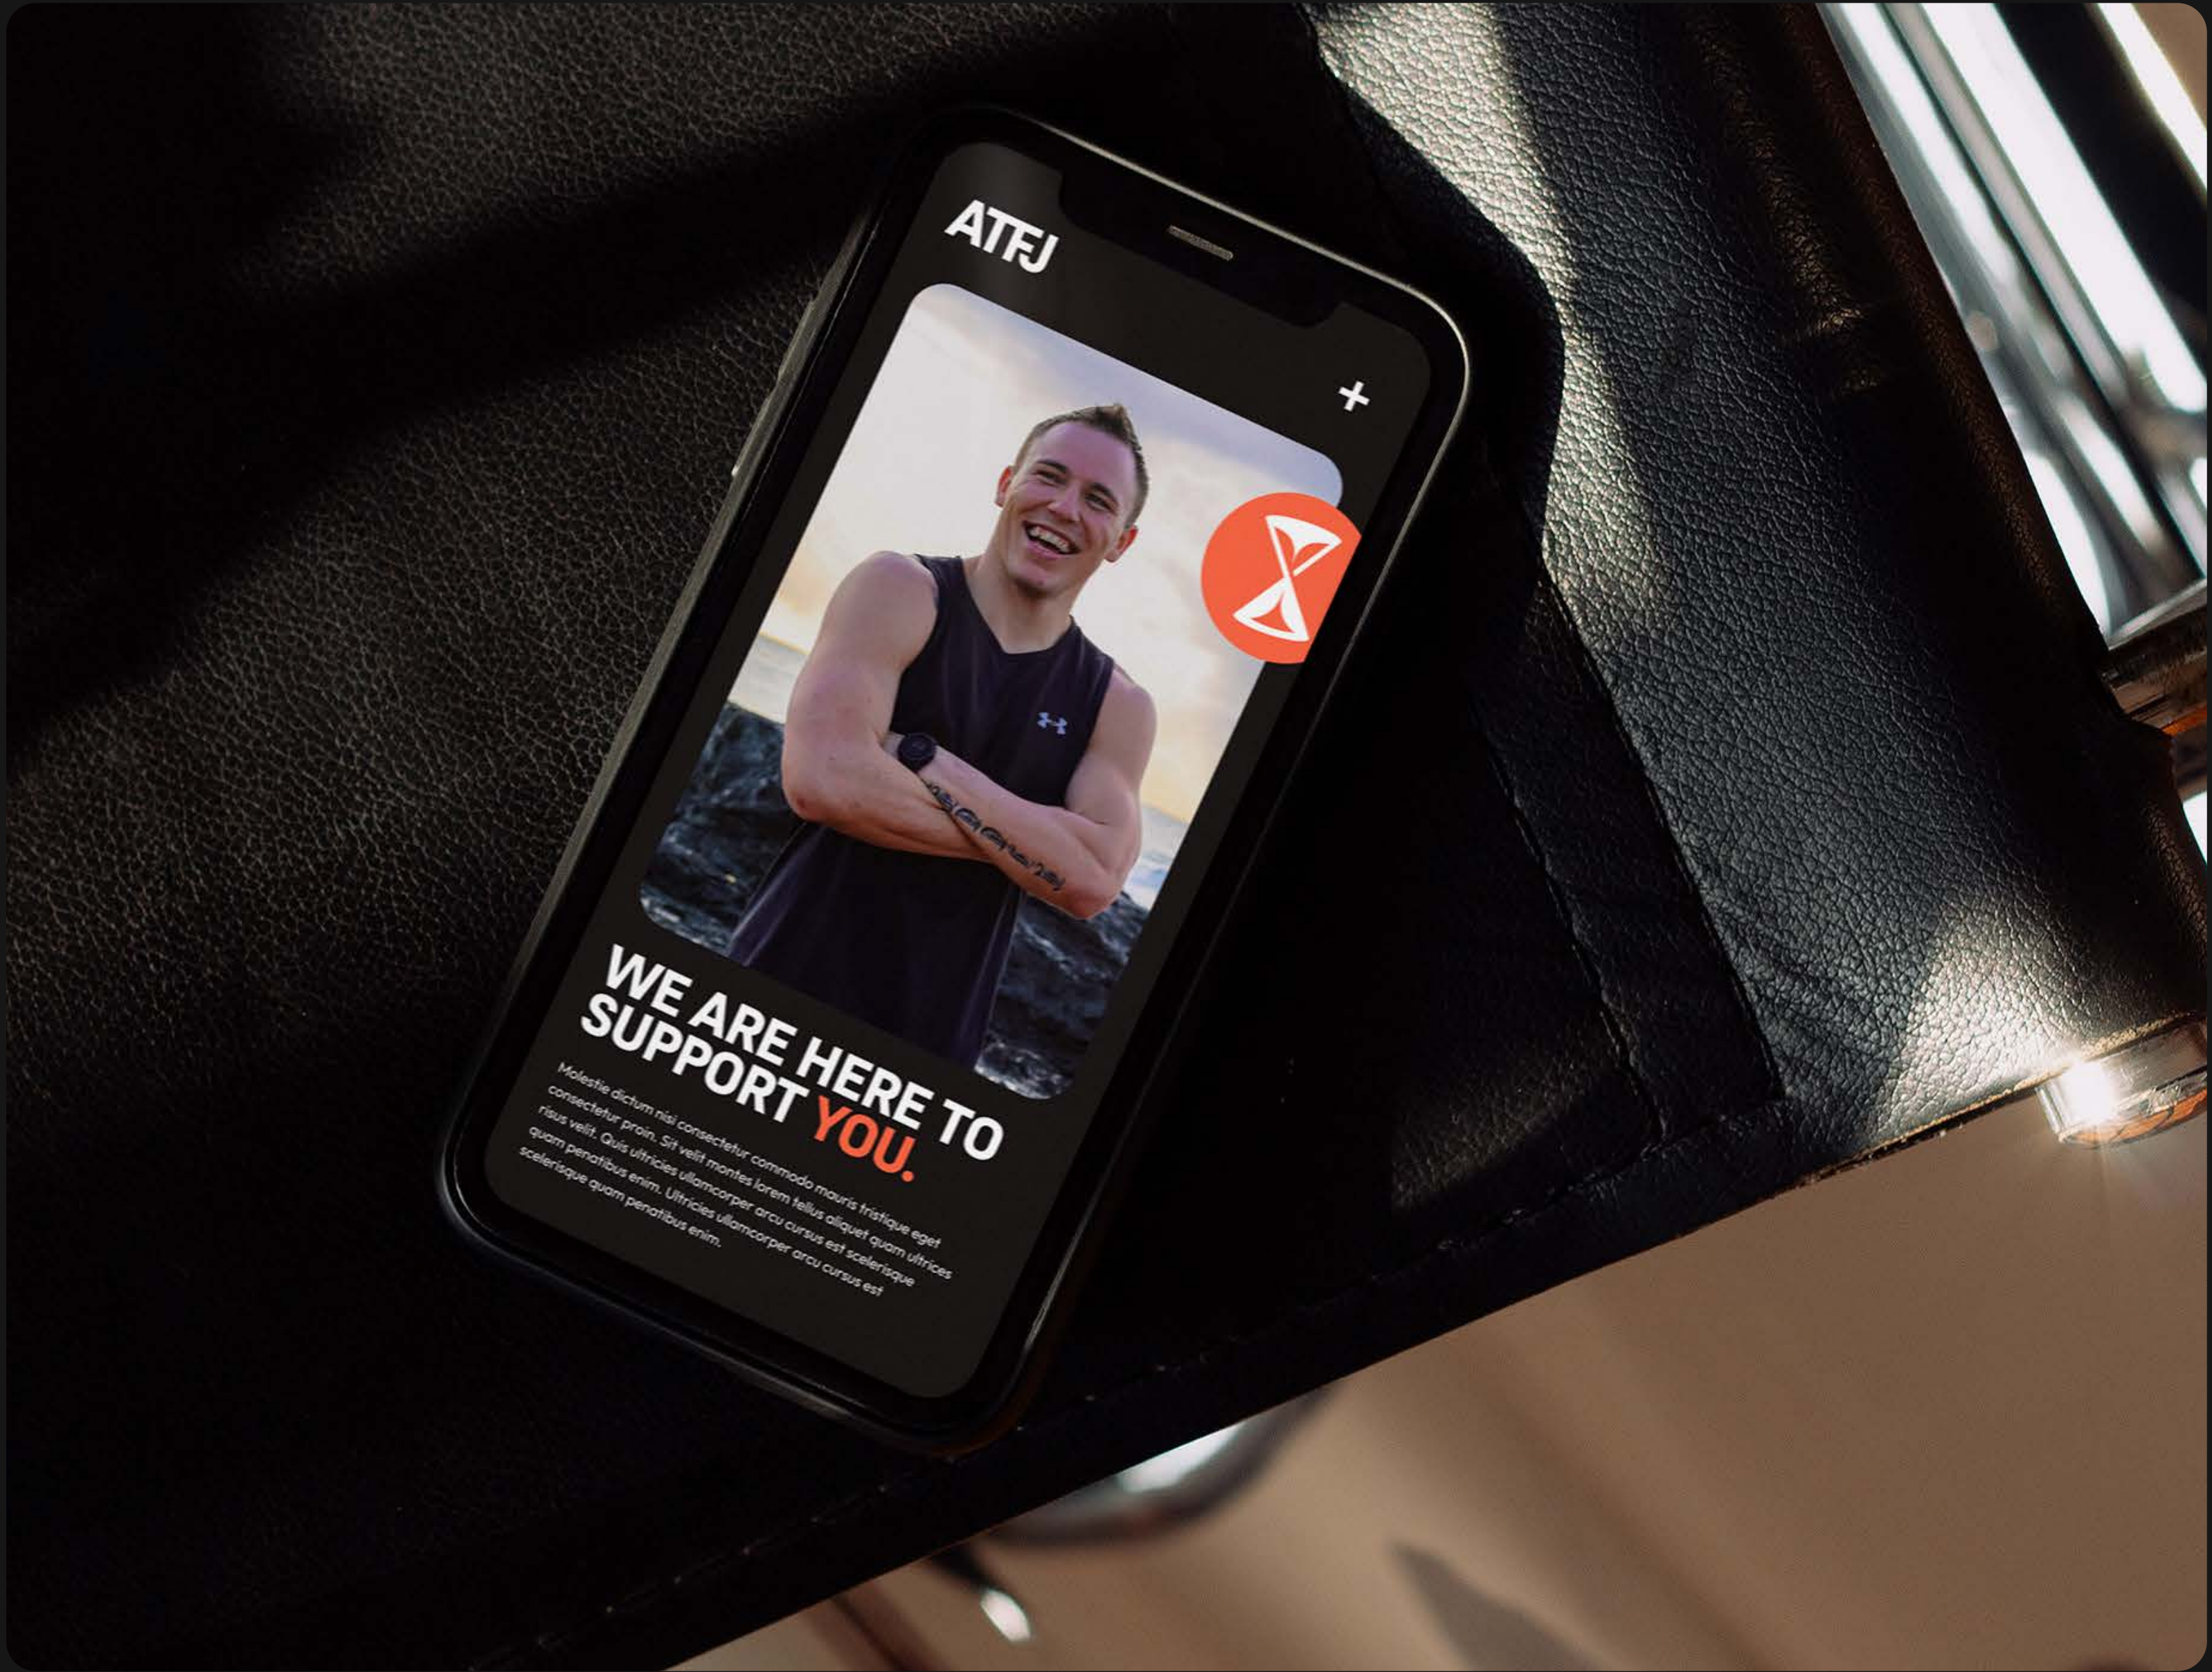

We work with you to design and develop a website that not only looks great but also functions seamlessly, providing your users with an exceptional online experience.

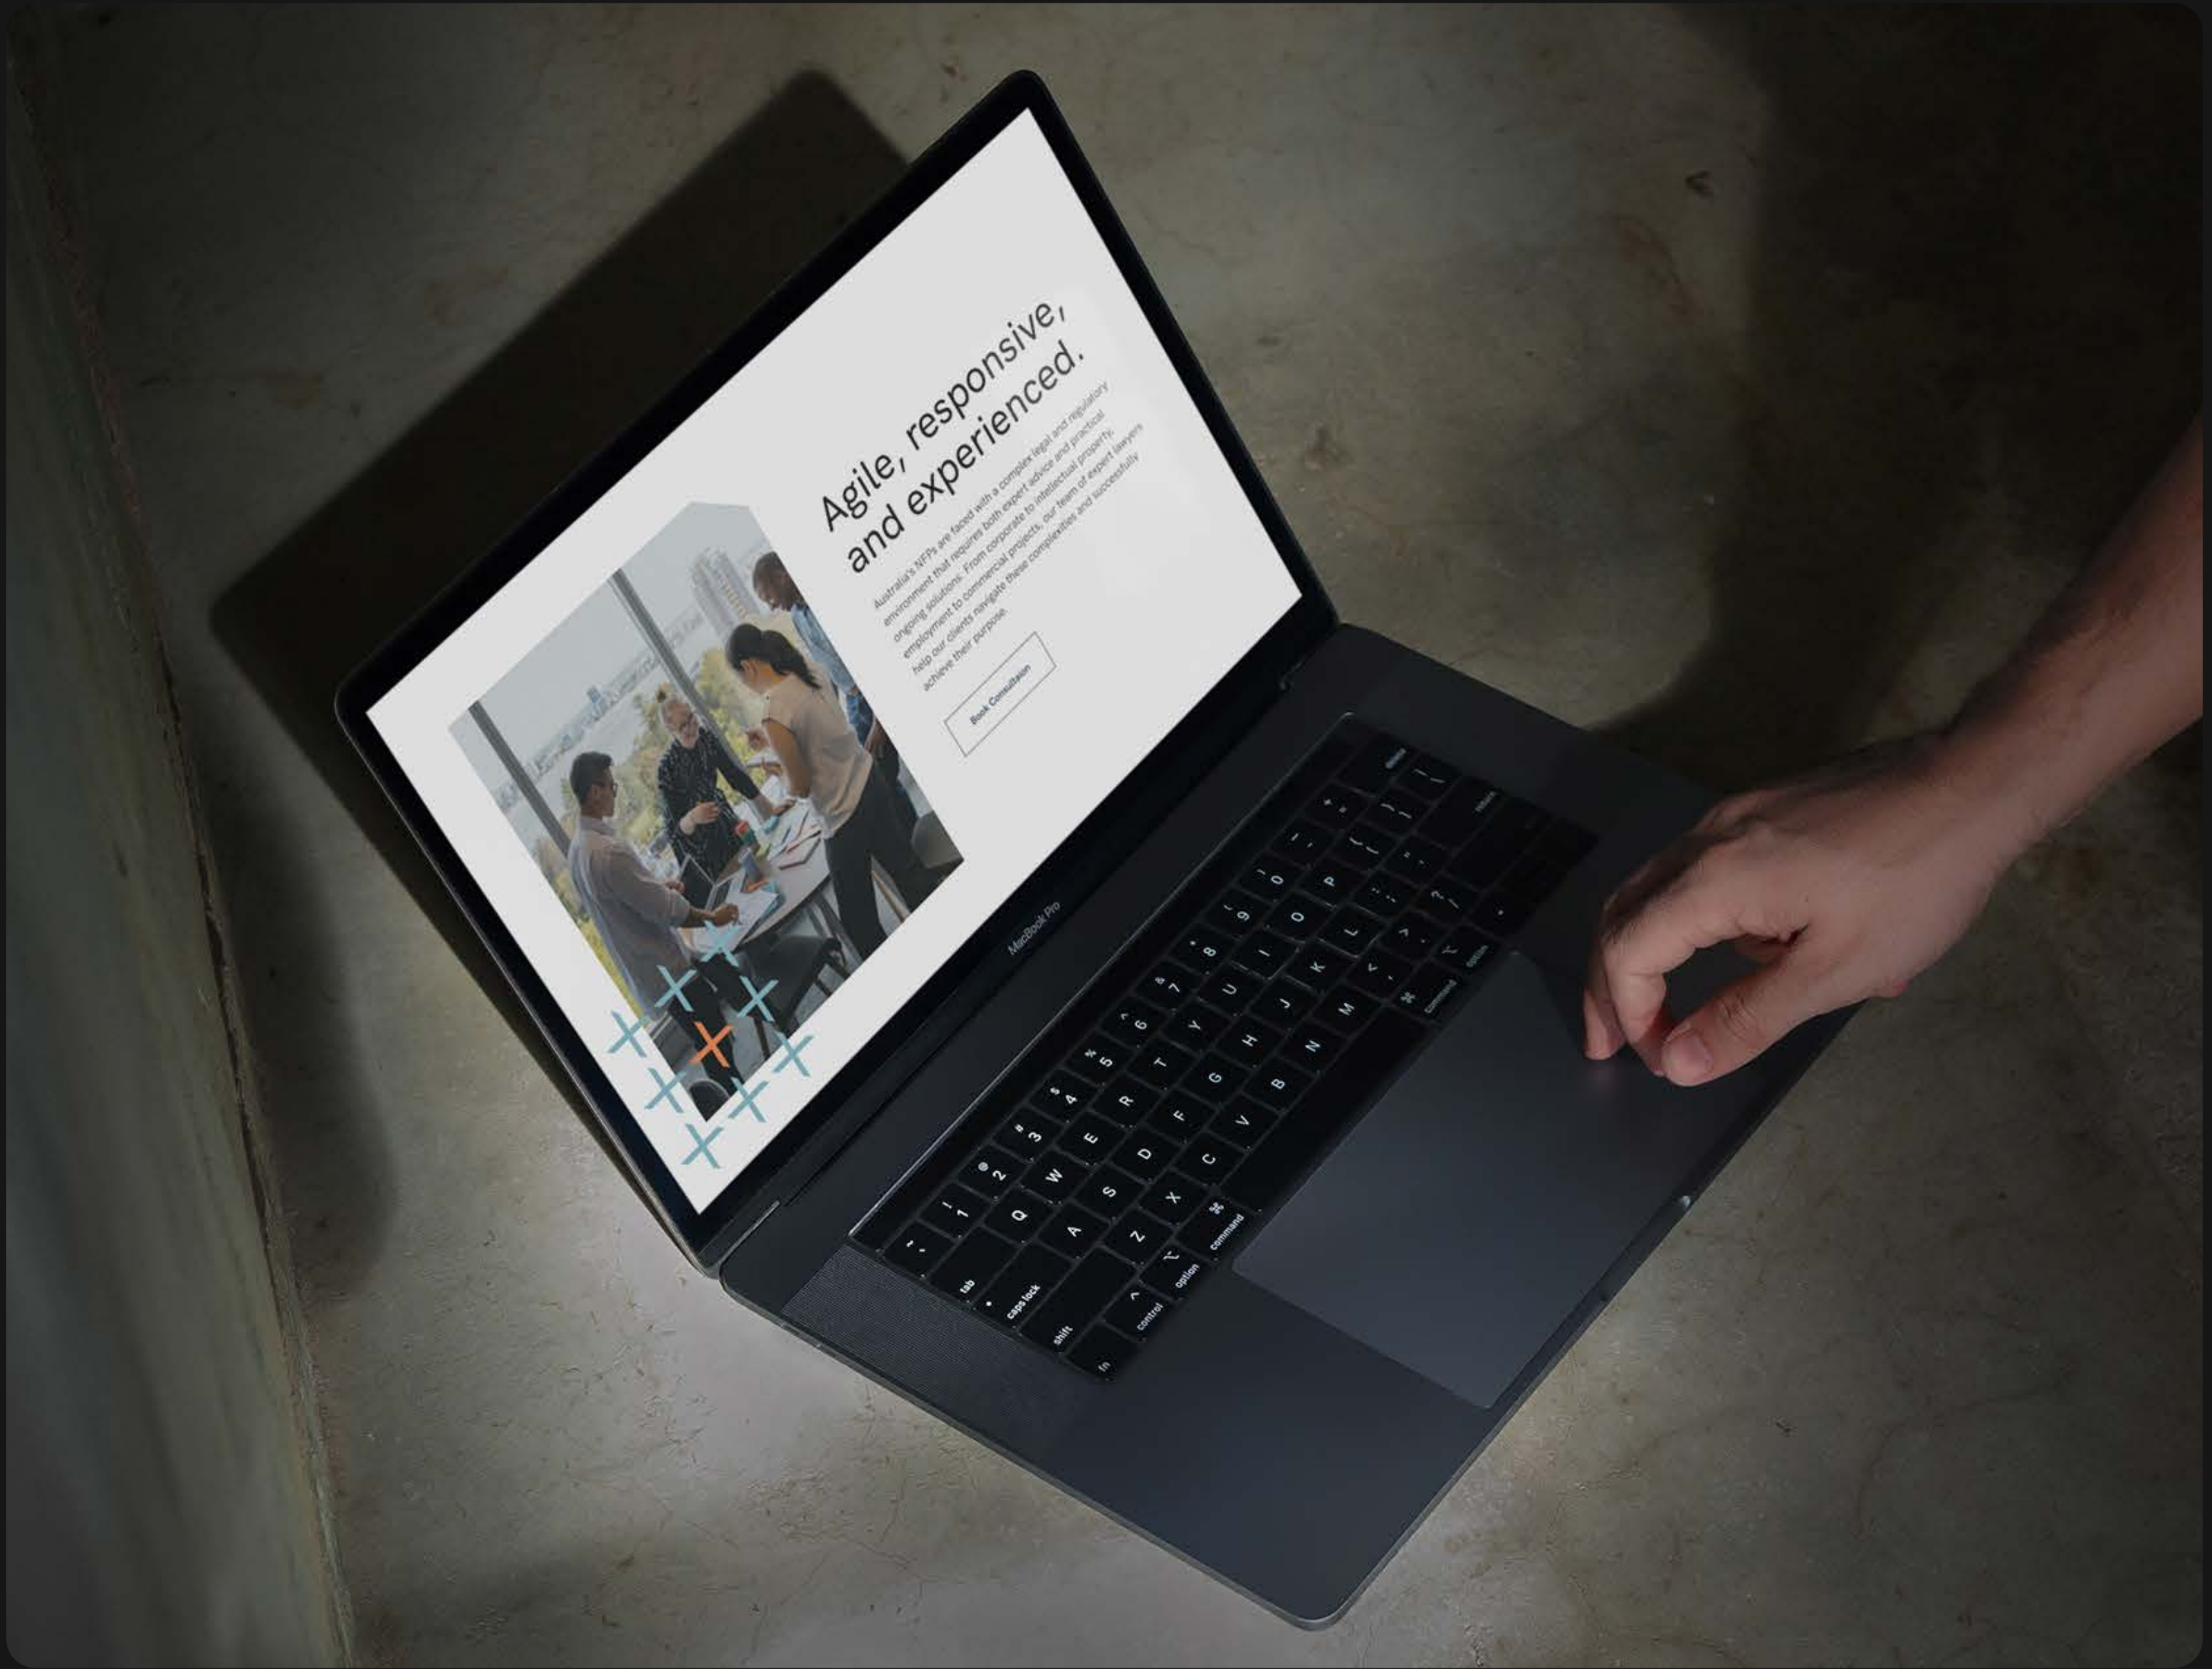

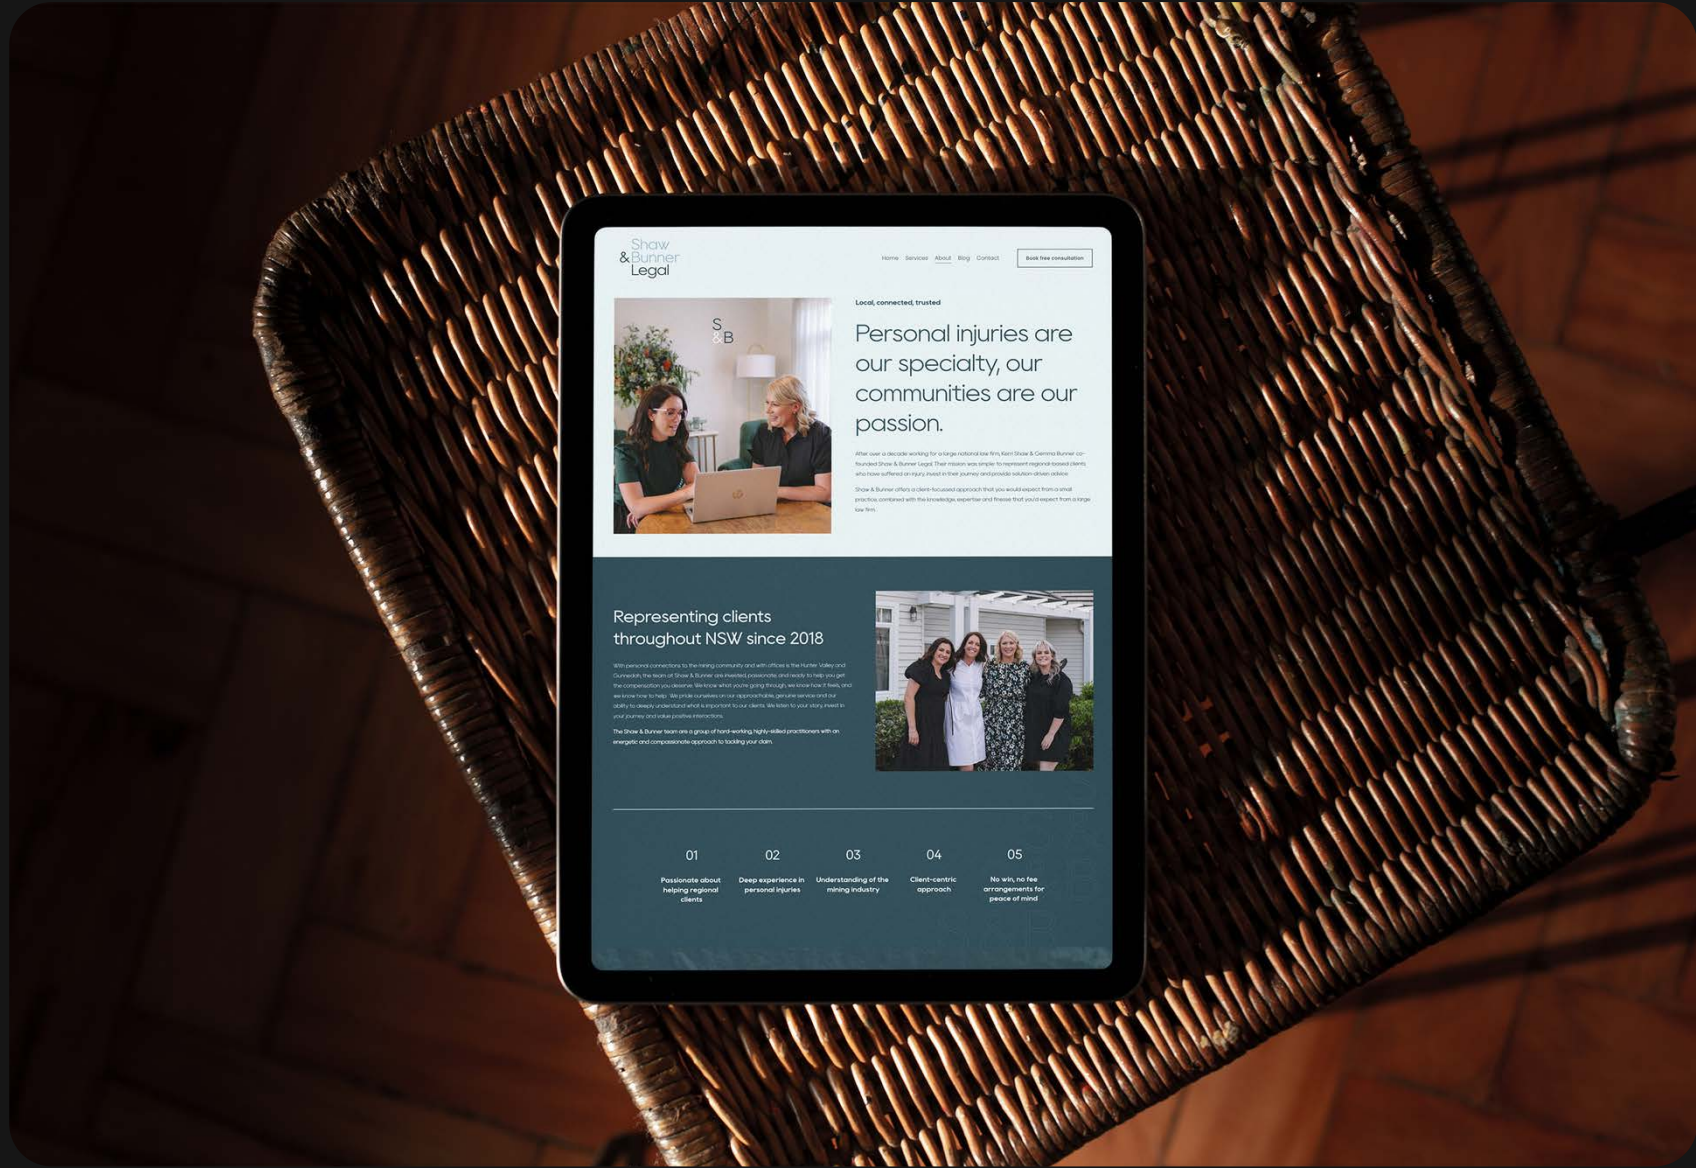

Marketing & Social Media

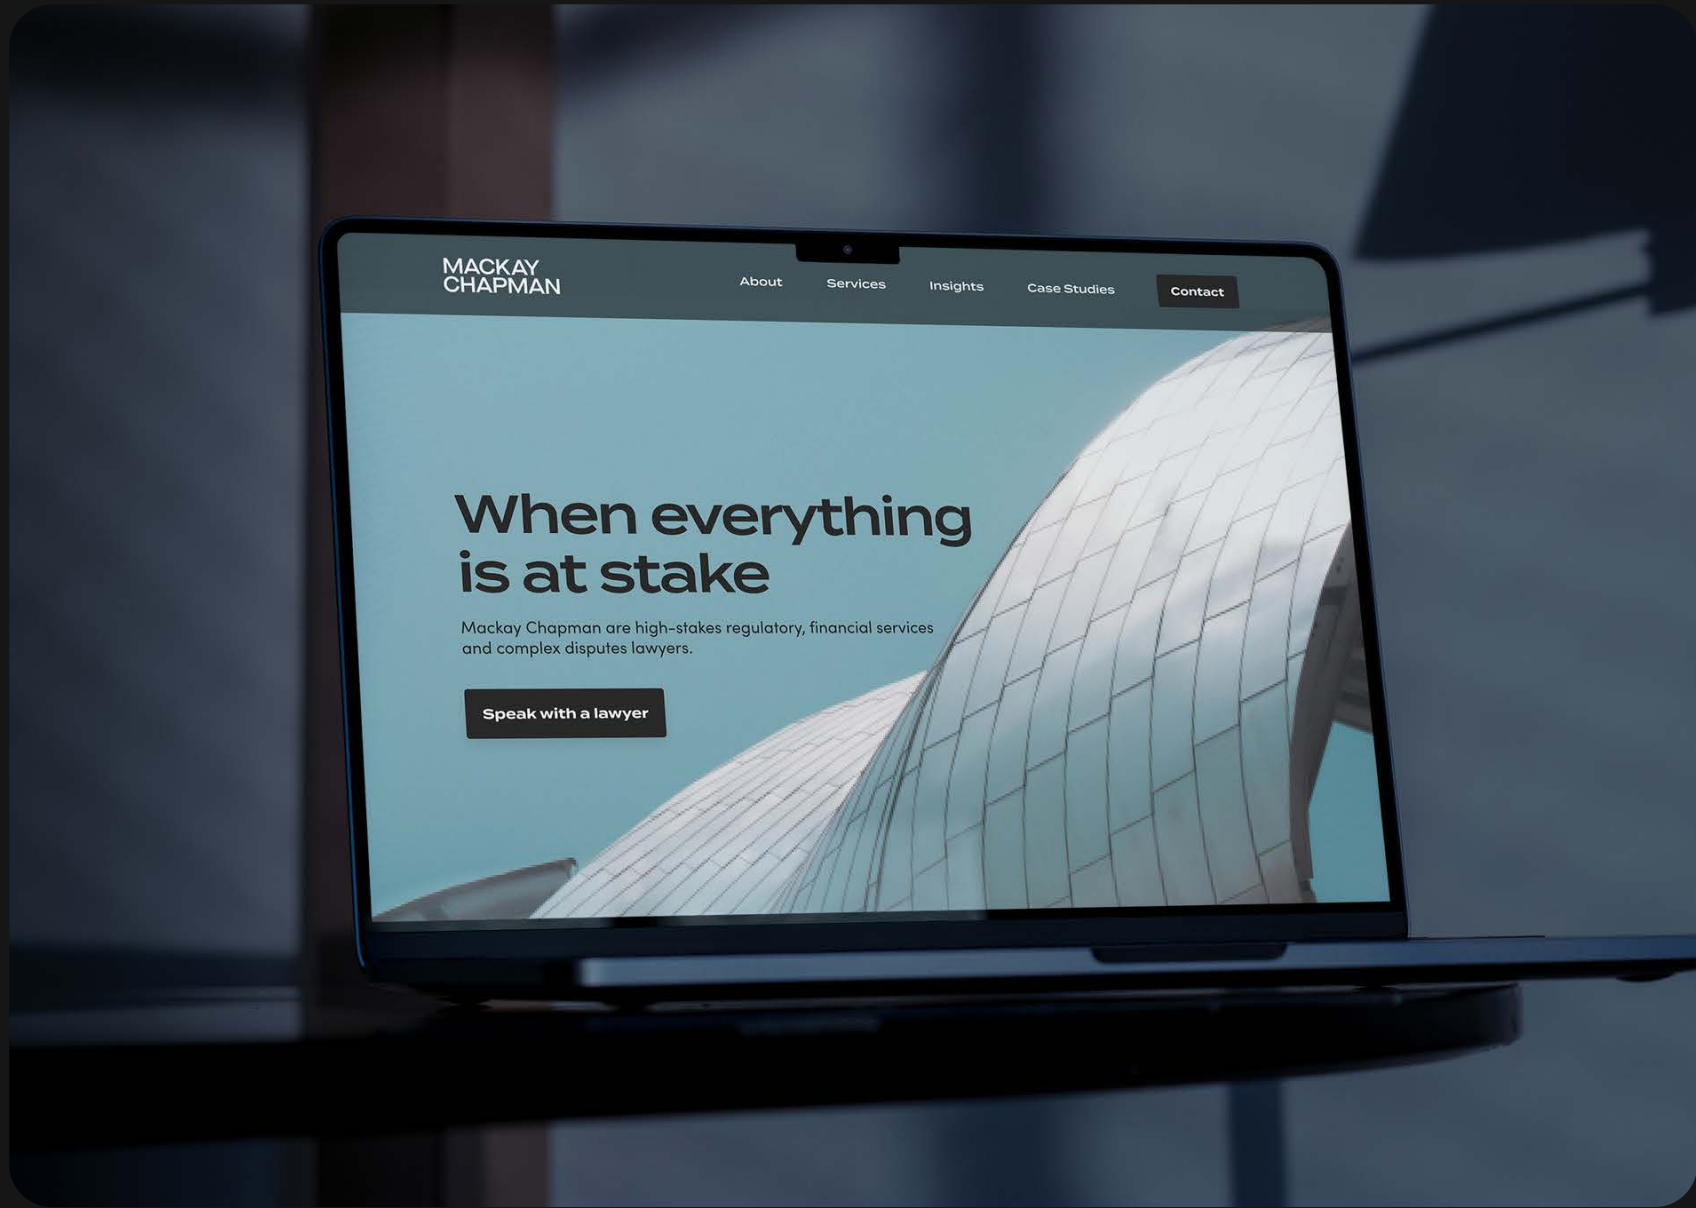

We can help you build a strong online presence and engage with your target audience effectively, using innovative and creative strategies that drive results.

Elevate your business

Excited? We are too! Let's chat.

The best projects start with a constructive yarn, so let's get chatting! We'll answer your burning questions, and give you tailored options to suit your business needs.
