# BOND & GRACE

## ABOUT BOND & GRACE

Bond & Grace is a women-owned literary lifestyle brand. We create collectible coffee table books and curate original fine art inspired by classic novels. With each title, Bond & Grace develops gifts in tabletop, home decor and deskware for the literary lover in all of us.

## COLLECTIBLE ART NOVELS

Each year, Bond & Grace releases one classic novel re-published into a collectible coffee table book. The book combines the *original text* of a classic novel with contemporary fine art from 12 diverse artists and modern day commentary from literary scholars. All of the art featured in the novel is available as original 1 of 1 artworks for sale to collectors.

## FINE ART PRINT COLLECTION

For each Art Novel, Bond & Grace commissions an artist collective to create fine art in a range of mediums in response to the classic story. More than 120+ original fine art pieces are available to collectors on [bondandgrace.com](https://bondandgrace.com). Museum- quality prints of original pieces in various sizes are available for wholesale. Prints can be purchased framed or unframed.

## LITERARY- INSPIRED GIFTS

From tabletop to home decor and stationery, Bond & Grace creates giftable treasures for the literary lover inspired by each Art Novel.

## COLLECTIBLE ART NOVELS

Each year, Bond & Grace releases one classic novel re-published into a collectible coffee table book. The Art Novel's pages contain every word of its original title, modern day commentary, and images of over 50 commissioned fine artworks.

## ART NOVELS

Collectible coffee table books featuring classic novels, scholarly context, and fine Art. In each title, we work with emerging artists to create original artwork inspired by the novel, and literary scholars to add annotations and informational content on top of the full original text, such that avid lovers of the story may learn something new and first-time readers are welcomed with context.
