FloridaShines launches new web page
with links to college virtual tours

Tallahassee, FL – June 16, 2020 – Students now have the option to visit an array of Florida’s public colleges and universities without ever having to leave their homes with help from FloridaShines. FloridaShines, the state’s student hub of innovative educational services, has launched a new webpage featuring links to virtual tours from Florida colleges and universities.

Institutions are offering virtual tours of their campuses for students who may not be able to attend an on-campus tour. Simply go to www.floridashines.org/go-to-college/get-ready-for-college/virtual-campus-tours to start exploring! The webpage is easy to navigate with simple, clickable icons that take students directly to the college and university tour of their choice.

Institutions featured on the page include: Chipola College, College of Central Florida, Florida A&M University, Florida International University, Florida Polytechnic University, Florida State University, Indian River State College, New College of Florida, Santa Fe College, University of Central Florida, University of South Florida and the University of West Florida.

Tour virtually from any device and feel like you just stepped foot on campus!
