

## Going Deeper

The map showed whoever held it their insecurities and fears (apart from Perrito who was content and happy in his life). We have a map in our life, the Bible. Through this, God shows us the way. Read Psalm 16, verse 11. How does it make you feel?

Perrito said to Puss, "You know, I've only ever had one life, but sharing it with you and Kitty has made it pretty special. Maybe, one life is enough." Puss only really started appreciating life when he got to his last one. Read Ephesians, chapter 5, verses 15-16. How can we make our lives 'pretty special'?

The star could only give one wish and then it was gone. In our lives, we have something more powerful, that lasts forever and we can do more than once - prayer! Read Philippians chapter 4, verses 6-7. How amazing is that? What will you pray and give thanks for?

## The BIG Question

We've only got one life, how can we make the most of it and live it to its fullest?

## Family Film Night

## Puss in Boots

Treasure the good things

# Activities

# Wondering

## STEP 1

Create a fairytale setting to watch the film in. Grab some fairy lights, make some fairy cakes, dress up.

## STEP 2

Settle in and watch the film!

## STEP 3

Have a go at the activities and have a chat. What spoke to you in the film? Where do you see yourself or God in the film?

### Make a Family Wishing Star

You could use natural materials such as twigs, leaves, stones etc.

Or try making a Lego star, with LED lights if you have them.

Maybe you could make star shaped biscuits. Make a cardboard star and decorate with tinsel.

### Make a costume.

Design a fairy tale costume for your favourite cuddly toy. If you can, have a go at making it.

### Make a Wish Come True

As a family, think about how you could help someone's wish come true. There is an organisation called [Make A Wish](https://www.make-a-wish.org.uk), which makes critically ill children's wishes come true. You could see if there are any children's wishes that you could help come true.

Perrito was always positive and looking for the good things in life. He taught Puss and Kitty to 'stop and smell the roses'.

What's right in front of you that you really appreciate?

"Star light, star bright, first star I see tonight. I wish I may, I wish I might, have this wish I wish tonight". What would your one wish be if you could have it?

Puss went from being fearless to fearful when he was on his last life. He gave up being Puss in Boots and ran away and hid. He found friends though that supported him and helped him to live again. When you're frightened, who, or what, helps you through it? What have you been frightened of?
