Shareholder Holding Over 5% Votes at the Annual General Meeting

Poznań, 14 February 2005

Current Report 21/2005

The Management Board of Eurocash S.A. (the "Company") hereby announces that today it has received the following notice:

"In connection with Article 147 of the Act on Public Trading in Securities (Journal of Laws [Dz.U.] 2002 No. 49, Item 447, as amended), Amplico Life Pierwsze Amerykańsko-Polskie Towarzystwo Ubezpieczeń na Życie i Reasekuracji Spółka Akcyjna [*Amplico Life First American-Polish Life Insurance and Reinsurance Company, joint stock company*] informs on behalf of its shareholder, American Life Insurance and Reinsurance Company (ALICO), that ALICO holds less than 5% of the total voting rights at the Annual General Meeting of shareholders of EUROCASH S.A., Wołczyńska 18, 60-003 Poznań (the Company).

As a result of entries made in the securities accounts on 9 February 2005, ALICO holds 7,341,781 (seven million, three hundred forty one thousand, seven hundred and eighty-one) shares out of 127,742,000 (one hundred twenty seven million, seven hundred and forty-two thousand) shares, i.e. 5.75% (five point seventy five) of the Company's share capital, authorising it to 7,341,781 (seven million, three hundred forty one thousand, seven hundred and eighty-one) votes out of 127,742,000 (one hundred twenty seven million, seven hundred and forty-two thousand) votes at the Annual General Meeting of shareholders, i.e. 5.75% (five point seventy five) of total votes at the Annual General Meeting of shareholders of the Company.

The above interest of ALICO is held indirectly as a result of stakes held by AIG OFE (managed by AIG PTE S.A.) and AIG Asset Management (Polska) S.A. by means of portfolio management."

Legal basis: Article 148 (1) of the PTS Act.

9. The value of the Public Offering of the Shares for Sale, understood as the number of the Shares for Sale in the Public Offering multiplied by their Selling Price, was PLN 178,200,090.
10. In consideration of the fact that the series B shares and series C shares ("Incentive Shares Issue") were issued alongside the Public Offering of the Shares for Sale, their costs were partially shared. The estimated costs of the Public Offering of the Shares for Sale and the Incentive Shares Issue are defined in Section 3 of Chapter III of the Prospectus. As at 31 January 2005, the costs of the Public Offering of the Shares for Sale and the Incentive Shares Issue incurred by the Issuer, as calculated on the basis of invoices that were received and accepted, amounted to PLN 886,098.19 and consisted of:
 - Costs of preparation and execution of the Public Offering of the Shares for Sale and the Incentive Shares Issue together with the costs of drafting the issue prospectus and the expenses of counsels – PLN 588,931.65;
 - Costs of promotion of the Public Offering of the Shares for Sale and the Incentive Shares Issue of PLN 162,646.24; and
 - Fees paid to the SEC, NDS and WSE of PLN 134,520.30.

The Issuer did not incur any costs in relation to underwriters' fees.

Eurocash S.A. will draft and submit its current report on the final costs of the Public Offering of the Shares for Sale and the Incentive Shares Issue after the receipt and acceptance of all invoices from the entities involved in the preparation and execution of the Public Offering of the Shares for Sale and the Incentive Shares Issue.

According to the information disclosed in the Prospectus, the costs of introducing the Shares for Sale and Incentive Shares to public trading and the costs of execution of the Public Offering of the Shares for Sale will be charged to financial expenses. Under Article 36 (2b) of the Accounting Act, the costs of the Incentive Shares Issue, when incurred in connection with the share capital increase, will reduce the Company's share premium reserve arising on the Incentive Shares. As the share capital with respect to the issue of the Incentive Shares is increased by means of conditional increase of the share capital, it will be possible to determine the cost of that issue after expiration of the period during which the Incentive Shares may be taken up, i.e. after 31 December 2009, and will be published at that time in the form of current report.

11. According to the balance of costs as at 11 February 2005, the average cost of carrying out the Public Offering of the Shares for Sale, as incurred by the Issuer, was ca. PLN 0.02 per one Share for Sale.

Legal basis: § 42 of the Regulation of the Council of Ministers of 16 October 2001 regarding current and periodical information submitted by issuers of securities.
