Welcome to our half termly newsletter.

Here is information about what is happening in Reception this half term.

Welcome to Reception

We are so excited for the start of a new school year! We know that the children may have some worries or be a little anxious but please remember we are here to support your child through every step of the way and we will work with you, our parents and carers, to ensure they have the best start and feel safe and happy here at Star of the Sea.

This half-term we will be focusing on our 'All about me' topic. We will be spending time settling into school and learning the routines of the day and being with our friends. Take a look at our 'Curriculum page' on our website to see what else we will be learning about.
