5. Staff, Volunteer, Trustee, Governor and Visitor Acceptable Use Agreement / E-Safety / Code of Conduct

5.1. Introduction

- i. ICT (including data) and the related technologies such as e-mail, the internet and mobile devices are an expected part of our daily working life in school. This agreement is designed to ensure that all staff are aware of their professional responsibilities when using any form of ICT. All staff are always expected to sign this agreement and adhere to its contents. Any concerns or clarification should be discussed with the Headteacher.

5.2. This Acceptable Use Agreement is intended to ensure:

- i. That staff and volunteers will be responsible users and stay safe while using the internet and other communications technologies for educational, personal, and recreational use.
- ii. That school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- iii. That staff are protected from potential risk in their use of technology in their everyday work.
- iv. That staff and volunteers will have good access to digital technology to enhance their work, to enhance learning opportunities for students learning and will, in return, expect staff and volunteers to agree to be responsible users.

5.3. Acceptable Use Agreement

- i. I understand that I must use school systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the systems and other users. I recognise the value of the use of digital technology for enhancing learning and will ensure that students receive opportunities to gain from the use of digital technology. I will, where possible, educate the young people in my care in the safe use of digital technology and embed online safety in my work with young people.

5.4. For my professional and personal safety:

- i. I will follow requirements for data protection as outlined in the Online Safety and Data Protection Policy.
- ii. I understand that the school will monitor my use of the school digital technology and communications systems.
- iii. I understand that the rules set out in this agreement also apply to use of these technologies (e.g., laptops, email, etc.) out of school, and to the transfer of personal data (digital or paper based) out of school.
- iv. I understand that the school digital technology systems are primarily intended for educational use and that I will only use the systems for personal or recreational use within the policies and rules set down by the school.
- v. I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password. I understand that I should not write down or store a password where it is possible that someone may steal it.

- vi. I will immediately report any illegal, inappropriate, or harmful material or incident, I become aware of, to the appropriate person.

5.5. I will be professional in my communications and actions when using school ICT systems:

- i. I will not access, copy, remove or otherwise alter any other user's files, without their express permission.
- ii. I will communicate with others in a professional manner, I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.
- iii. I will ensure that when I take and / or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital / video images. I will not use my personal equipment to record these images unless I have permission to do so. Where these images are published (e.g., on the school website) it will not be possible to identify by name, or other personal information, those who are featured.
- iv. Photographs will be kept securely and used appropriately, whether in school, taken off the school premises or accessed remotely.
- v. Images of students and/ or staff will only be taken, stored, and used for professional purposes in line with school policy and with written consent of the parent, carer or staff member.
- vi. Images will not be distributed outside the school network without the permission of the parent/ carer, member of staff or Head Teacher.
- vii. I will support the school approach to online safety and not upload or add any images, video, sounds or text linked to or associated with the school or its community.'
- viii. I will only use social networking sites in school in accordance with the school's policies.
- ix. I will only communicate with students / students and parents / carers using official school systems. Any such communication will be professional in tone and manner.
- x. I will not engage in any online activity that may compromise my professional responsibilities.

5.6. The school has the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- i. When I use my mobile devices (laptops / tablets / mobile phones / USB devices etc.) in school, I will follow the rules set out in this agreement, in the same way as if I were using school equipment. I will also follow any additional rules set by the school about such use. I will ensure that any such devices are protected by up-to-date anti-virus software and are free from viruses.
- ii. I will not give out my own personal details, such as mobile phone number, personal e-mail address, personal Twitter account, or any other social media link, to students.
- iii. I will not use personal email addresses on the school ICT systems.
- iv. I will not open any hyperlinks in emails or any attachments in emails, unless the source is known and trusted, or if I have any concerns about the validity of the email (due to the risk of the attachment containing viruses or other harmful programs).
- v. I will ensure that my data is regularly backed up, in accordance with relevant school policies.
- vi. I will not try to upload, download, or access any materials which are illegal (child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act) or inappropriate

or may cause harm or distress to others. I will not try to use any programs or software that might allow me to bypass the filtering / security systems in place to prevent access to such materials.

- vii. I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- viii. I will not store, install, or attempt to install programs or software of any type on any machine or computer, nor will I try to alter computer settings, unless this is allowed in school policies.
- ix. I will not disable or cause any damage to school equipment, or the equipment belonging to others.
- x. I will only transport, hold, disclose or share personal information about myself or others, as outlined in the School Personal Data Policy (or other relevant policy). Where digital personal data is transferred outside the secure local network, it must be encrypted. Paper based Protected and Restricted data must be held in lockable storage.
- xi. I understand that data protection policy requires that any staff or student data to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.
- xii. I will immediately report any damage or faults involving equipment or software; however, this may have happened.

5.7. When using the internet in my professional capacity or for school sanctioned personal use:

- i. I will ensure that I have permission to use the original work of others in my own work.
- ii. Where work is protected by copyright, I will not download or distribute copies (including music and videos).

5.8. I understand that I am responsible for my actions in and out of the school:

- i. I understand that this Acceptable Use Agreement applies not only to my work and use of school digital technology equipment in school, but also applies to my use of school systems and equipment off the premises and my use of personal equipment on the premises or in situations related to my employment by the school.
- ii. I understand that if I fail to comply with this Acceptable Use Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors / Directors and / or the Local Authority and in the event of illegal activities the involvement of the police.

5.9. User Signature

- i. I have read and understand the above and agree to use the school digital technology systems (both in and out of school) and my own devices (in school and when carrying out communications related to the school) within these guidelines, and agree to the above Acceptable Use Agreement / E-Safety Rules
- ii. I understand this forms part of the terms and conditions set out in my contract of employment and agree to follow this code of conduct.
