ABOUT GRANTS

Grants is a design led window tailoring specialist providing architects, interior designers, and home owners with bespoke solutions. We have showrooms in London, manufacturing in the UK, and installations Worldwide.

Grants are blind concealment specialists using Blindspace® concealment systems for standard windows, skylights and also gables.

We focus on working with architects and their clients on new build homes where this is of interest and can provide just the boxing so that provision generally can be made for the blinds and power supply can be brought to the areas and then supply the blinds later.
