

LOOKING AFTER
YOUR PEOPLE

Renaissance Village
Dugm

Built in **2017**, Renaissance Village Duqm (RSVD) is Oman's **largest workforce accommodation** that has set **world-class standards** in worker welfare and lifestyle in the Sultanate.

This flagship project by **Renaissance Services** offers nutritious meals, quality sleep, health, wellness, recreation, connections with home and much more.

US\$275mn invested till date

18,800+ beds

International Labour Organization compliant

Largest workforce accommodation in Oman

235,000+ m2 of built-up area

Home away from home

BETTER WORKER WELFARE, COST-OPTIMISATION FOR EMPLOYERS

Dignity is a key differentiator in providing worker welfare at **RSVD**.

Ethical living conditions that value, respect and protect worker privacy and overall wellbeing lead to improved worker productivity for employers.

RSVD provides higher standards and more facilities at affordable costs through economies of scale

Affordable rates for employers

Overall worker wellbeing

Minimised risk of outbreak during epidemics

Higher productivity and efficiency

Lower downtime for sickness

Better mental health

Lower rates of attrition

Sense of security for workers

A more committed workforce

COMPLIANT WITH INTERNATIONAL STANDARDS

International
Labour
Organization

RSVD is the only private sector largescale permanent project meeting SEZAD's specifications for minimum worker welfare standards.

RSVD also meets the minimum requirements set by the International Labour Organization (ILO) on workforce accommodation and worker welfare.

DRIVING GROWTH

RSVD is driving sustainable growth in Oman by meeting the needs of local businesses and projects, supporting Oman's long-term economic vision, and by contributing to significant ICV creation.

RSVD is also a direct enabler for foreign direct investment and international financing as it delivers on all elements of ESG - Environmental, Social Responsibility and Governance.

Enabler for Oman's vision of a smart city on its eastern seaboard

Positively impacting social and economic sustainability goals of businesses in Oman

Contributing to Oman's global reputation

Attracting foreign direct investment and international financing

Delivering on all ESG elements
