To the Shareholders and, for information only, to the Option Holders
Notice of Annual General Meeting

Dear Shareholder,

I am delighted to invite you to the Annual General Meeting of SigmaRoc plc, which is to be held at The Washington Mayfair Hotel, 5 Curzon St, London W1J 5HE on 25 April 2023 at 3 p.m. BST. This circular gives some background and explanation to the resolutions to be proposed at the AGM. The resolutions are set out in the Notice of Annual General Meeting on pages 9 to 11 of this document.

Ordinary business at the AGM

Resolution 1 – Annual Report and Accounts

This is an ordinary resolution to receive the audited financial statements of the Company, the strategic report, the directors' report and the auditor's report for the year ended 31 December 2022.

Resolution 2 - Auditors' re-appointment and remuneration

This is an ordinary resolution relating to the auditors' re-appointment and remuneration and is usual business for the AGM.

Resolution 3 - Re-election of Director

The Board recommends the re-election of Simon Chisholm, who retires by rotation in accordance with article 25 of the Company's Articles of Association and offers himself for re-election.

Resolution 4 - Re-election of Director

The Board recommends the re-election of Jacques Emsens, who retires by rotation in accordance with article 25 of the Company's Articles of Association and offers himself for re-election.

Resolution 5 - Re-election of Director

The Board recommends the re-election of Axelle Henry, who retires by rotation in accordance with article 25 of the Company's Articles of Association and offers herself for re-election.

Resolution 6 – Remuneration Committee Report

The Remuneration Committee Report, which can be found on pages 134 to 142 of the Annual Report, gives details of the remuneration paid to the Directors for the year ended 31 December 2022. The Company's auditor has audited those parts of the Remuneration Committee Report required to be audited and their report may be found on pages 148 to 153 of the Annual Report. Shareholders are invited to approve the Remuneration Committee Report by voting on Resolution 6. This vote is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that the Resolution is not passed. The Board recommends the approval of the Remuneration Committee Report as detailed in the Annual Report.

Special business at the AGM

Resolution 7 – Section 551 authority

This is an ordinary resolution authorising the directors to allot and issue Ordinary Shares and grant rights to subscribe for shares up to an aggregate nominal value of £2,312,600, being approximately one third of the current issued share capital of the Company as a general authority upon which further authority will be sought from Shareholders as per Resolution 8 to enable up to £693,801 of these equity securities to be issued for cash and on a non-pre-emptive basis.

The authority conveyed by Resolution 7 will expire at the commencement of the next Annual General Meeting following this meeting or 30 June 2024, whichever is the earlier to occur.

Resolution 8 – Section 570 authority and dis-application of Section 561(1)

This is a special resolution authorising the directors to issue up to an aggregate nominal value of £693,801 of equity securities (representing approximately 10% of the current issued share capital of the Company) for cash and on a non-pre-emptive basis pursuant to the authority conferred by resolution number 7 above.

The authority also authorises the Directors to issue an additional number of equity securities up to a nominal amount equal to one fifth of any allotment pursuant to the amount authorised above, to be used only for the purposes of a follow-on offer.

This will allow the Board to allot shares for cash without recourse to the Shareholders so that it can move quickly from time to time as it deems appropriate.

This authority will expire at the commencement of the next annual general meeting following this Meeting or 30 June 2024, whichever is the earlier to occur.

This resolution is proposed in accordance with the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights.

Resolution 9 – An additional Section 570 authority and dis-application of Section 561(1)

This is a special resolution authorising the directors to issue up to an additional aggregate nominal value of £693,801 of equity securities (representing a further c. 10% of the current issued share capital of the Company) for cash and on a non-pre-emptive basis pursuant to the authority conferred by resolution number 7 above. Such authority may be used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Directors determine to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of the notice.

The authority also authorises the Directors to issue an additional number of equity securities up to a nominal amount equal to one fifth of any allotment pursuant to the amount authorised above, to be used only for the purposes of a follow-on offer.

This authority will expire at the commencement of the next annual general meeting following this Meeting or 30 June 2024, whichever is the earlier to occur.

This resolution is proposed in accordance with the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights.

Resolution 10 – Section 701 authority

This is a special resolution authorising the Company to purchase up to 69,380,000 of its own shares, which represents approximately 10% of the current issued share capital of the Company. The minimum price permitted is 1 penny per Ordinary Share and the maximum permitted is 105% of the average market value for the 5 preceding days prior to any purchase. This authority will expire at the commencement of the next annual general meeting following this meeting or 30 June 2024, whichever is the earlier to occur.

This authority is being sought by the Directors to provide the Company with the option to efficiently utilise its capital in the face of potentially volatile markets.

Resolution 11 – Reduction of Capital

The Company is also requesting that Shareholders approve the Capital Reduction by way of a special resolution. The Capital Reduction comprises both the Share Premium Account Cancellation and the Deferred Share Cancellation.

The Company is proposing the Capital Reduction in order to create additional distributable reserves (of, in aggregate, approximately £401 million). The reserve resulting from the Capital Reduction would eliminate the accrued deficit on the Company's profit and loss account in its entirety (which as at 31 December 2022 amounted to £68,367,372) and create a positive reserve of approximately £333 million, based on the Company's audited accounts as at 31 December 2022. This balance may be used by the Company to deliver returns to Shareholders in the future, whether in the form of dividends, distributions or purchases of the Company's own shares, in each case in the event that the Board considers it appropriate to do so.

The Share Premium Account Cancellation

As at close of business on 28 February 2023 (being the latest practicable date prior to the date of this document), the Company had £428,684,390 standing to the credit of its share premium account. Share premium forms part of the capital of a company, which arises on the issue of shares at a premium to their nominal value, with the premium element being credited to the share premium account. Under the Companies Act 2006, the share premium account is an undistributable capital reserve and therefore it can be applied only for limited purposes. However, provided a company obtains the approval of its Shareholders by way of a special resolution and the subsequent requisite confirmation by the Court, it may cancel its share premium account and the amount so cancelled may be credited to its profit and loss account to offset any losses and also (subject to there being sufficient distributable reserves) to deliver returns to Shareholders in the future, whether in the form of dividends, distributions or purchases of the Company's own shares, in each case in the event that the Board considers it appropriate to do so.

The Deferred Share Cancellation

The Deferred Shares were created by the Company as part of historic share capital reorganisations and have no economic value. The Board does not consider there to be any commercial purpose in the Deferred Shares and is therefore taking the opportunity to cancel the Deferred Shares as part of the Capital Reduction. Pursuant to Article 119 of the Articles, the cancellation of the Deferred Shares pursuant to a reduction of capital for no consideration will not require the approval of the holders of the Deferred Shares.

Process for the Capital Reduction

The Capital Reduction is conditional upon, amongst other things, Resolution 11 being passed at the Annual General Meeting and the subsequent confirmation by the Court at the Court Hearing. If Shareholders approve Resolution 11, then the Directors intend to apply to the Court for an appropriate Court Order. It is expected the Court Order confirming the Capital Reduction will be made on or around 24th May 2023. The Capital Reduction will only become effective once the Court order confirming it is filed with the Registrar of Companies.

Before it will grant the Court Order and confirm the Capital Reduction, the Court will be concerned that the interests of the Company's creditors will be sufficiently protected. The terms upon which the Court is prepared to sanction the Capital Reduction will be subject to consideration in due course by the Court and discussion between the Company and its advisers. The Company will offer such form of creditor protection as it may be advised is appropriate in the circumstances. The Company's ability to make any future returns to Shareholders from the additional distributable reserves arising from the Capital Reduction will be dependent on any directions of the Court for the protection of creditors at the time the Capital Reduction takes place. The Directors reserve the right to discontinue the application to the Court if they consider it appropriate and in the interests of the Company.

The Capital Reduction itself will not involve any distribution of share premium to the Shareholders, nor will it reduce the underlying net assets of the Company. If it becomes effective, the Capital Reduction will not change the number of Ordinary Shares in issue (or their nominal value) (and no new share certificates will be issued as a result) and will not affect the voting or dividend rights of any Shareholder, or the rights of any Shareholder on a return of capital.

Form of proxy

You can vote in respect of your shareholding by attending the Meeting or by appointing one or more proxies to attend the Meeting and vote on your behalf. If you appoint a proxy, you may still attend and vote at the Meeting (in substitution for your proxy) in person should you decide to do so.

Proxies may be appointed by either:

- completing and returning the enclosed proxy form; or
- online by logging on to www.signalshares.com and submitting a proxy appointment by following the instructions; or
- voting via the Proxymity platform; or
- using the CREST electronic proxy appointment service (for CREST members only).

In any case, the notice of appointment of a proxy should reach the Company's registrars, Link Group, at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by no later than 48 hours (excluding non-business days) before the time fixed for the AGM. Please refer to the Notes to the Notice of Annual General Meeting and the enclosed proxy form for detailed instructions.

Board Recommendation

The Board considers that each of the ordinary resolutions and the special resolutions is in the best interests of the Company and its Shareholders as a whole and it unanimously recommends to Shareholders that they should vote in favour of each of them as the Board intend to do so in respect of the Ordinary Shares held by them.

Yours faithfully

David Barrett
Chairman

Notes to the Notice of Annual General Meeting

Entitlement to attend and vote

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), the Company specifies that only shareholders entered on the register of members of the Company at close of business on 21 April 2023 (or in the event that this meeting is adjourned, on the register of members at the time which is 48 hours (excluding non-business days) before the time appointed for holding the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of ordinary shares of the Company registered in their name at that time. Changes to the register after the relevant time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Appointment of proxies

2. A shareholder is entitled to appoint one or more proxies to exercise all or any of his or her rights to attend and to speak and vote at the meeting. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder.
3. The appointment of a proxy will not preclude a shareholder from attending in person at the meeting and voting if he or she wishes to do so.
4. Unless otherwise indicated on the form of proxy, CREST or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion or withhold from voting.

Appointment of proxy using the accompanying proxy form

5. A proxy form is enclosed. To appoint more than one proxy, please photocopy the form. Please state each proxy's name and the number of shares in relation to which each proxy is appointed (which, in aggregate, should not exceed the number of shares held by you) in the boxes indicated on the form. Please also indicate if the proxy form is one of multiple forms being returned. All proxy forms must be signed and should be returned together in the same envelope. In the case of joint shareholders, the signature of any one of them will suffice, but the names of all joint holders should be stated.
6. To be valid, a duly completed proxy form and the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power or authority, must be delivered by hand or sent by post to the offices of the Company's registrars, Link Group at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL so as to be received not less than 48 hours (excluding non-business days) before the time fixed for the holding of the meeting or any adjournment of the meeting (as the case may be).

Appointment of proxy online

7. To be valid, the proxy vote must be submitted at www.signalshares.com so as to have been received by the Company's registrars not less than 48 hours (excluding non-business days) before the time fixed for the holding of the meeting or any adjournment of the meeting (as the case may be). If you have not yet registered for the Signal shares portal you will need your investor code (IVC) which is detailed on your share certificate or is available by calling our Registrar. By registering on the Signal shares portal at www.signalshares.com, you can manage your shareholding, including:

- cast your vote;
- change your dividend payment instruction;
- update your address; and
- select your communication preference.

Any power of attorney or other authority under which the proxy is submitted must be returned to the Company's Registrars, Link Group, PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL.

8. If you need help with voting online please contact our Registrar, Link Group by email at shareholderenquiries@linkgroup.co.uk, or you may call Link on 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Link Group is open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales.

Appointment of proxy via Proxymity

9. If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged not less than 48 hours (excluding non-business days) before the time fixed for the holding of the meeting in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Appointment of proxy through CREST

10. CREST members who wish to appoint a proxy or proxies for the meeting, including any adjournments of the meeting, through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Link Group (ID RA10) no later than 48 hours (excluding non-business days) before the time fixed for the holding of the meeting or any adjournment of the meeting (as the case may be). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
14. Unless otherwise indicated on the Form of Proxy, CREST voting or any other electronic voting channel instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.

Changing proxy instructions

15. To change your proxy instructions, simply submit a new proxy appointment using one of the methods set out above. Note that the cut-off time for receipt of proxy appointments also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be

disregarded. If the Company receives more than one appointment of a proxy in respect of any one share, the appointment received last revokes each earlier appointment and the Company's decision as to which appointment was received last is final.

Termination of proxy appointments

16. *In order to revoke a proxy appointment you must notify the Company of the termination at least three hours before the commencement of the meeting.*

Joint shareholders

17. *In the case of joint shareholders, the vote of the senior who tenders a vote, whether in person (including by corporate representative) or by proxy, shall be accepted to the exclusion of the votes of the other joint shareholders. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members.*

Corporate representatives

18. *A corporation which is a shareholder may, by resolution of its directors or other governing body, authorise one or more persons to act as its representative at the meeting. Corporate representatives should bring with them to the meeting: (i) an original or certified copy of the resolution authorising them; or (ii) an original letter on the shareholder's letterhead, signed by an authorised signatory, confirming that they are so authorised.*

19. *As at the date of this notice of general meeting, the Company's issued share capital comprised 693,801,899 ordinary shares of 1 penny each fully paid. The Company does not hold any shares in treasury. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at the date of this notice of general meeting is 693,801,899.*
