

# PUNCH TAVERN

DRINKS  
MENU

The Punch is a former 19th century gin palace. This historic site was named in the 1840's in homage to the regular customers from nearby Punch magazine.

The newly refurbished Punch retains much of its original period charm with a spacious main bar and rear dining room available for private hire. At the bar you'll find a gin and whisky lover's paradise, plus an excellent selection of craft beer, international lagers and cask ales, not to mention a carefully curated wine list.

On the menu the focus is seasonality with homemade pub classics along side delicious small plates and lunchtime wraps.

The pub is available for private up to 200 guests or if your event is smaller the rear dining room is perfect for 40 seated or 50/60 standing
