

# LORD WARGRAVE

We pride ourselves on our local high-quality produce and cooking. We ethically source our dry rubbed meat which is smoked in-house - low and slow - giving it extraordinary taste. Our bread is supplied by the incredibly experienced Rinkoff's Bakery, who have been baking for the capital for over 100 years. Our meat is supplied by Select butchers of East London - who ensure that our meat is UK-reared and of the highest quality.
