## Do not sell my personal information – California

If you are a California resident, you have a right to opt out of the sale of your personal information, as defined in the California Consumer Privacy Act of 2018, Civil Code §1798.100 et seq. (CCPA). Under the CCPA, subject to certain exceptions and limitations, the “sale” of personal information may include any communication of personal information to any third party for monetary or other valuable consideration.

To the extent that Givebacks receives monetary or other valuable consideration for sharing your personal information collected through the Givebacks website, mobile application, or browser extension with participating merchants, third parties, or affiliates in order to provide you rewards and benefits and for our and their targeted marketing purposes, the CCPA may deem this a “sale” of your personal information.

If you are a resident of California and would like to exercise the right to opt-out of this sharing of your personal information, you or the authorized agent that you authorize to act on your behalf may submit a request by emailing us at [support@givebacks.com](mailto:support@givebacks.com). Please note that to the extent you opt-out we may be unable to offer you some of our Services which require such sharing.
