

THE PERFECT DAY

Explore the gems Budapest has to offer!

MORNING

Start your day by discovering colourful food and craft stalls at the imposing, neo-Gothic Great Market Hall, a 20-minute stroll from the hotel along the Danube Promenade. Then take a metro ride to Andrásy Avenue. This grand boulevard is lined with chic boutiques and handsome townhouses and buildings, including the elegant Hungarian State Opera House. At the far end past Heroes' Square, lies the extensive Városliget park, where you can revitalise in style at the famous Széchenyi thermal baths.

AFTERNOON

In the afternoon, cross to the Buda side of the city over the iconic Chain Bridge. Take the funicular up to the Castle Hill district to enjoy panoramic views and a Hungarian gourmet lunch at Alabárdos restaurant, near the Royal Palace complex. Close by are the 14th-century Matthias Church and the imposing Fisherman's Bastion fortress with seven towers offering panoramic views. Up at the palace itself, you can explore the Hungarian National Gallery and the Castle Museum.

EVENING

Let the river be your guide for the evening. The hotel's concierge can help you book tickets for a Danube cruise with dinner and live entertainment, against the magical backdrop of the city's sights. Afterwards take a walk past the State Opera House to the bars and restaurants of leafy Liszt Ferenc Square. For a unique experience, try a 'ruin pub' like the nearby Szimpla Kert, packed with curios, art and graffiti. Head back to the hotel's Corso Bar to enjoy a nightcap and Castle District views.
