

## **STOP WORK POLICY**

It is the policy of Dialog Group that all employees including clients, visitors and contractors, have an authority to **STOP WORK** when there is an imminent risk to the health and safety of the employees or that of others, or adverse impact to the environment or loss and damage to the company assets.

Any person regardless of the position and seniority has the authority to apply the **STOP WORK** policy if in her/his opinion or judgement, such action or condition can lead to potential incident.

**STOP WORK** authority must be applied in good faith. DIALOG Management fully supports any individual decision in the diligent execution of this policy. There shall be no blame or consequences put on any individual who exercises **STOP WORK** authority even if, upon investigation, the **STOP WORK** was deemed unnecessary.

Dialog Group is committed to the continuous improvement of the Health, Safety and Environment (HSE) performance and shall as far as reasonably practicable, implement necessary measures to eliminate or minimize the occupational health hazard, risk of injuries, and damages to company assets or environment.
