

Mobile Access

Flexibility for those on-the-go

Bring dynamic and intuitive tools to your workforce on-the-go. By mimicking the look and feel of the desktop, you can empower your team and create a more employee-focused culture to keep them motivated and engaged with scheduling flexibility, and visibility into their goals and rewards from our mobile experience.

Key Differentiators

Scheduling, Forecasting & Adherence

Put scheduling, real-time information, and communication tools in the hands of your people so they can work efficiently from anywhere.

Gamification & Motivation

Empower access to personalized training, performance feedback, and motivational engagement to drive professional growth and satisfaction.

Key Components and Features

Scheduling, Forecasting & Adherence

With a web experience designed for mobile devices, empower your workforce to view and request schedule changes, request schedule trades, participate in schedule bids, request overtime or PTO, and even receive push notifications.

- 1.5M push notifications out-of-the-box (add-ons available)
- Push notifications about events such as schedule changes, trade and request changes, or broadcast messages
- Schedule adjustments made easy through mobile devices
- Put performance metrics at your teams' fingertips to remain connected to colleagues
- Control, flexibility, and mobility for scheduling and picking up shifts

Gamification & Motivation

Align the power of our employee experience solution with today's dynamic working environments. Allow your people to see their goals and achievements, see what others are doing, initiate new challenges with peers, view, and redeem rewards, and receive push notifications.

- Receive push notifications for new achievements, awards, and prizes
 - View the dashboard to easily see new goals, and progress
 - Create a social group to communicate with peers and track their activities
 - Quickly update your profile or redeem points during free time or after-hours
 - View active competitions and engage in contests, duels, and tournaments
 - Access available points and redeem them in raffles, and auctions
 - Receive push notifications when prizes are won
-

Key Benefits

- Boost engagement and motivation on-the-go
- Deliver real-time feedback for continuous improvement
- Mobile learning and development
- Enhanced satisfaction with user-friendly mobile interfaces
- Streamline communication with instant notifications and updates
- Reach operational agility with mobile scheduling and management tools
- Improved productivity with schedule and shift changes requests remotely
- Reduced administrative overhead with schedule-related tasks available independently
