Whereas, the 2024 Presidential election is the most momentous election of our lifetimes and will determine the fate of our Republic;

Whereas, the mission of the Michigan Republican Party must be winning the Presidency, taking the U.S. Senate seat, winning back as many Congressional seats as possible, and retaking the Michigan legislature;

Whereas, both the delegate and popular base of the Michigan Republican Party is overwhelmingly in favor of Donald Trump;

Whereas, infighting within the Michigan Republican Party is demoralizing and dividing those forces which should otherwise be united around the above stated mission;

Whereas, the delegates spoke at the February 18 2023 convention when they elected a new Chairperson, and other officers of the Michigan Republican Party;

Therefore be it resolved,

That the Wayne County Republican Committee Members stands by the February 18, 2023 vote of the delegates in choosing their state leadership, and calls on those within various county and Congressional District organizations to cease their efforts to undo the will of the delegates;

Be it further resolved, that the political and emotional resources being consumed in internal disputes be redirected toward our party's and our nation's common enemies.

## **RESOLUTION TO SUPPORT CHAIRWOMAN OF THE MICHIGAN REPUBLICAN PARTY KRISTINA KARAMO AND CALL FOR UNITY AND AN END TO THE INFIGHTING**

**Whereas** the 2022 duly elected precinct delegates gained control of the majority of the county and district Republican Committees, as well as the Michigan Republican Party (MRP) State Committee, sending a clear message that the America-First grassroots are now in control of the party in Michigan; and

**Whereas** the Michigan Republican Party Officers and Committee members were elected by duly elected precinct delegates at the February 2023 Convention; and

**Whereas** Elections have consequences, and the 2024 General Election is the most critical election in our lifetime; and

**Whereas** Chairman Karamo experienced an unprecedented leadership transition, where the former administration **withheld** the transfer of critical information such as donor information, e-mail lists, voter data collected by Republican volunteers, accounting data, knowledge of outstanding credit card debt and even a delayed receipt of bank access; and

**Whereas** Chairwoman Karamo has been under a coordinated attack since the beginning of her term, orchestrated by establishment “Uni-party” leaders. These attacks include but are not limited to leaking sensitive party information to the liberal media, operating a digital platform with deceiving and anonymous messaging, spreading misinformation and lies to discredit the party and paralyzing the party from reaching its fundraising potential, hosting two illegitimate meetings to attempt to undermine and remove the Chair; and

**Whereas** these nefarious attacks not only hurt the Michigan Republican Party, but also all other Republican committees, Republican elected officials and candidates by hurting our brand, effecting costs and income of campaigns. This plot has taken the party backwards with little time left until the November election.

**Now Therefore Be It Resolved**, the Charlevoix County Republican Party calls on the elected State Committee members and the elected Officers, to agree to end all disputes at the State Central Committee meeting on January 13, 2024;

**Resolved**, the Charlevoix County Republican Party recognizes Chairwoman Kristina Karamo as the true and only Chairperson of Michigan Republican Party, and we continue to support her, her administration and her plan to win in 2024;

**Resolved**, the Charlevoix County Republican Party believes that the constant infighting and coordinated coup will have lasting, negative consequences for the Republican Party, our candidates and the People of the State of Michigan;

**Resolved**, the Charlevoix County Republican Party condemns those who have organized and executed this nefarious plot to undermine MRP and the Chair, and calls on those individuals to take responsibility and resign from any and all positions in the party.

**Let It Also Be Known** that a copy of this resolution will be transmitted to all Republican Party County Chairs, State Committee Members, and Charlevoix County Republican Precinct Delegates.

**Approved by a majority of the Charlevoix County Republican Party Executive Committee present and voting on this day, January 10<sup>th</sup>, 2024.**

**WHEREAS** we refute the relentless and sensationalized attack against Chairwoman Karamo and the stigma created by the prior MRP's irresponsible financial situation handed down to the current administration, and

**WHEREAS** Chairwoman Karamo was sabotaged by nearly a half million dollars in debt left by her predecessors, and the over \$7,000 a month burden of the Secchia-Weiser Republican Center building obligation and overall lack of cooperation and active resistance from some of the factors in the party.

### A Statement of Support for MIGOP Chair Kristina Karamo

Michigan Election law and the Michigan Republican Party Bylaws specifically define the processes for electing a new chairperson every two years at a convention in the odd numbered year. Those processes have been followed and certified and Kristina Karamo rightfully holds the position as the MIGOP chair until December 31, 2024.

Subversive and destructive elements within Michigan Republican Party, and the State Committee itself, have been fomenting controversy and dissension within the State Party with the desired intent of replacing Kristina Karamo as chair.

Constant of personal attacks on Karamo's character and her administrative abilities have not daunted her tenacious spirit as she has pressed forward to perform her duties as Chair. It is imperative these personal attacks stop and that all of the parties bring this fiasco to a quick conclusion.

A cabal of disenfranchised republicans have put their own self interest ahead of the will of the precinct delegates who elected Kristina Karamo to represent them during this current election cycle.

It is time to move forward and focus on the 2024 election by taking back the Michigan House and Senate, electing a conservative in the U.S. Senate, and retaining control of the U.S. House and electing Donald Trump as President.

The officers of the Clinton County Republican Party pledge our full support of Kristina Karamo as we insist a vote of confidence be placed by the Republican State Committee members and that this impasse end so we can move on and unite.

Kalamazoo County Republican Party

The new Kalamazoo County Republican "Executive Committee" recognizes and supports Kristina Karamo as the official chairperson of the Michigan Republican party elected by an overwhelming majority of delegates on February 18, 2023.

Kristina Karamo has been a strong grassroots supporter. Her commitment to returning the Republican Party to our platform which recognizes the importance of our Founding Father's desire to protect our inalienable rights endowed to us by our creator, God, has been exemplary. Kristina Karamo is an ardent fighter for election integrity in Michigan. Fair and honest elections ensure that each Michigan elector's vote counts. Fair and honest elections protect the sanctity of the election process. She has also ensured 55 electors from Michigan for the 2024 Presidential nomination.

Kristina Karamo has established the Good Neighbor Program to train grassroots delegates on how to connect locally with voters and how to engage effectively in local politics.

Kristina Karamo inherited a large amount of debt from the previous administration. She has decreased the state party's expenses and took the necessary steps to keep the party in the black.

The new Kalamazoo County Republican Committee supports Kristina Karamo and condemns recent actions to undermine her efforts as chair.

We, the undersigned officers and members of the Kent County GOP, stand in solidarity with Republican County GOPs across Michigan in support of our Michigan Republican Party Chairwoman Kristina Karamo.

The duly elected Republican Delegates at the 2023 Michigan Republican Party Convention elected Kristina Karamo as the Chairwoman of the Michigan Republican Party.

It has become apparent that certain people within the Michigan Republican Party have been waging a political war against Chairwoman Karamo, using ill-conceived tactics of sabotage and falsified information in their effort to unseat her from her role as Chairwoman.

Therefore, we the undersigned members and leaders of the Kent County Republican Executive Committee, express our support for Kristina Karamo's leadership and appreciate her dedication to advancing the Michigan Republican Party's platform, beliefs, and goals.

We condemn the recent actions of those party members working against Chairwoman Kristina Karamo, including their undermining of the Michigan Republican Party Bylaws. We urge fellow Michigan Republicans to voice their support of our Chairwoman Kristina Karamo.

## Montmorency County Republicans

To MRP State Committee,

We voted a year or so ago at our convention to give Kristina the job. As we all remember she was dealt a pretty crappy hand from the old regime. No buildings, computers, lists and whatever else. The party has not grown like some expected it would, ok, what are the issues? I really don't know what to expect from a rebuilding phase. It takes a team years to rebuild. Personally, it is a pretty dumb idea to blow up the party 5 minutes before voting begins. Kristina has, from what I have seen, did what she could with what she had. None of the counties from what I have seen gave a great deal of support financially, ours included!

I am not sure of the legitimacy of the Jan 6 meeting, but personally, 40 people are not solving anything by jumping ship. If anything, they are helping it sink faster. We will watch the press have a field day with how disorganized and two faced we look.! Just what liberals and RINO's love to create: chaos. Some are not true constitutional conservatives as they claim in the grassroots groups. I searched my emails for clues of this implosion but found few if any crying for help. Low and behold on J6 2024, there was an insurrection out of nowhere. I think the massive problems facing the Karamo camp could have been dealt with differently by these bad actors.

**I stand in full support of our state party Chairwoman Kristina Karamo.**

## **RESOLUTION SUPPORTING KRISTINA KARAMO**

### **OGEMAW COUNTY REPUBLICAN COMMITTEE**

**Whereas**, the state of the Republican Party has devolved over a period of many years until the vast majority of Delegate seats were left unfilled leaving a clear path for the entitled elite to do their personal bidding.

**Whereas**, the Republican Party has been infiltrated by multiple avenues of non-Republican thinking with a severe lack of resolve to uphold the Republican Platform and protect and project the most basic will of the People, specifically the Republican voter.

**Whereas**, many of the previously vacant Delegate seats have been filled by true Republican Delegates, duly elected by the People they represent and said Delegates have found their voice and with pure hearts and astonishing fervor, stood their ground in solidarity to restore the voice of the People.

**Whereas**, in recent years, our duly elected Republican Delegates stood their ground and used their voice in solidarity to successfully put a halt to the unseating of many duly elected Republican Delegates from being replaced by oligarch appointed delegates who were recruited to diminish the will of the People and enforce the will of certain people who operate behind the curtain.

**Whereas**, the duly elected Republican Delegates who truly represent the will of the People, replaced the prior Chair to the Michigan Republican Party by way of a fair and legal election at which nine (9) other candidates were defeated and Kristina Karamo was elected as the Chairwoman to the Michigan Republican Party.

**Whereas**, a certain group of people who call themselves Republican Delegates have been unhappy with the choice of the Republican Delegates who truly represent the will of the People and within weeks of the election of Kristina Karamo, they began their campaign against her, using ill-conceived tactics of sabotage and falsified information in their effort to unseat Kristina Karamo from the position we elected her to fulfill.

**Whereas**, Kristina Karamo has demonstrated amazing patience and strong leadership in her role as our Michigan Republican Chairwoman, resolving many challenging situations, utilizing good judgement with determination, showing her commitment to the Republican Party Platform, expending tremendous effort to unify and strengthen our Party and showing the utmost confidence against all odds.

**Therefore, be it resolved**, that the Ogemaw County Republican Committee expresses its unwavering support for Kristina Karamo's leadership and appreciates her dedication to advancing the party's beliefs and goals as well as working toward the preservation of the very survival of our future generations.

**And now, therefore be it further resolved**, that the Ogemaw County Republican Committee condemns the recent actions of and will not tolerate the sabotage of the Republican Party or the dilution of our Delegate votes being erased by any individual person or group such as those within the Telegram Channel Group and or any of its sidelines who falsely represent themselves as MIGOP INFORMATION and seek to sabotage Kristina Karamo and by extension sabotage the success of the Michigan Republican Party.

On January 11, 2024 the Otsego County Republican Party Executive Committee passed and adopted the following statement:

The duly elected Republican Delegates at the 2023 Michigan Republican Party Convention elected Kristina Karamo as the Chairwoman for the Michigan Republican Party.

It has become apparent that certain people within the Michigan Republican Party have begun a political campaign against Chairwomen Karamo, using ill-conceived tactics of sabotage and falsified information in their effort to unseat Chairwoman Kristina Karamo from the Michigan Republican Party, thereby not acting in the best interests of the Michigan Republican Party or its Bylaws.

Therefore, the Otsego County Republican Executive Committee expresses its support for Kristina Karamo's leadership and appreciates her dedication to advancing the Michigan Republican Party's platform, beliefs and goals.

The Otsego County Republican Executive Committee condemns the recent actions of those party members working against Chairwomen Karamo and will not tolerate the undermining of the Michigan Republican Party Bylaws, or the dilution of our Delegate votes by any individual person or group, such as those working within the Telegram Channel Group and/or any of its affiliates who falsely represent themselves as MIGOP INFORMATION sources and communications sent out as @mi-gop.org in, and/or other repeated attempts to undermine Chairwoman Kristina Karamo leadership and actions.

## Announcement | Announcement

January 9, 2024

The Ottawa County Republican Party recognizes that Kristina Karamo remains Chairwoman of the Michigan Republican Party. Until such time that there is an above-board and unconfusing process that everyone can see and easily understand, the Ottawa County Republican Party will operate as it has been, recognizing Karamo as MIGOP Chair.

The OCRP's state-committee members are eager to attend this weekend's previously-scheduled meeting on January 13, 2024 [which was called for on December 2nd, 2023], and believe a legal quorum will be present to take up the state's business.

Since the events of last weekend which were disjointed and unusual to say the least, OCRP Chairman Brendan Muir wrote to a defecting state group and pointed out to them specific MIGOP bylaws which they have violated. Further, the OCRP also informed its own Delegation of a continued focus to acknowledge Karamo, given that the Delegation themselves endorsed and elected her last February 2023 at State Convention, and that we will continue our business as usual in this truth.

Thank you for supporting Ottawa County as we continue to lead our County through a time where the Constitution of the United States has never been more poignant and the values of our Republic according to our Founders remain our greatest values.

America needs Ottawa County.

To My Fellow Republicans;

As the CHAIR of the Republican Party of Presque Isle County, I strongly support the LEGITIMATE Chair of the Michigan GOP, Kristina Karamo. The four delegates from Presque Isle County all supported the candidacy of Kristina Karamo when she was elected at the State Convention in 2023. I pray that when the controversy as to whom the REAL Chair of the Michigan GOP is finally settled, that Kristina Karamo will remain as the LEGITIMATE Chair. Lastly, I pray that harmony will be restored between the two warring factions within the Michigan GOP at some point...the sooner the better.

Sincerely,

Robert Brietzke (Chair of the Republican Party of Presque Isle County)

### **Statement from the Official Saginaw County Republican Party in Support of our Michigan Republican Party Chair, Kristina Karamo**

The Saginaw County Republican Party stands with the Chair of our MIGOP, Kristina Karamo. At the end of the February 2023 state convention, she was duly elected by the majority of America First Republican delegates in Michigan because of her steadfastness to adhering to the truth in our Republican Party Platform and her personal unwavering integrity. Unlike others, she never changed with the political winds.

Holding fast to her platform of election integrity and the mission of a Republican Party based on truth and transparency connected with Patriots in Michigan who were once used to being a silent majority controlled by globalists and elitists instead of a Party that honored their Delegates, the real backbone of our Republican Party. This is why we support her and her mission to restore and rebuild our MIGOP.

Kristina is like us, a front-line warrior willing to stand against the Democrat's corrupt and illegal agenda, and she will not compromise our Republican Party Platform and our U.S. Constitution that represents Freedom for all Michiganders. She understands that we will restore our Party in Michigan with the strength that comes with unity around our values found in returning to our foundations, not in pandering to the Democrat's agenda.

***"We're a different Republican Party. We are not the Republican Party who apologizes and runs away from our positions. It's a reason the Republican Party has gotten kicked in the teeth the last three cycles. Because it's been a party that's always apologizing. We're done." - Kristina Karamo, MIGOP Chair***

This week in Lansing, we watched Democrat-led media and sour grapes, sold-out former Republican candidate Matt DePerno throw our delegate elected MIGOP Chair under the bus, and we heard the "silence" of our elected MI Republican House legislators who did not say "NAY" in a Democrat-led House voice vote attacking our MIGOP Chair. We as Michigan Republicans MUST USE OUR MAJORITY DELEGATE VOICE TO FIGHT BACK.

How do we fight back? How do we show our support of our Chair?

1. Ask our MI Legislators for their reason for not speaking out to defend Kristina and our MIGOP.
2. We urge every Michigan Republican County Party to send Kristina your statement of support.
3. We urge every Michigan Republican to DONATE to the MIGOP TODAY:

On January 3<sup>rd</sup>, 2024, the **Baraga County Republican Executive Committee** voted **UNANIMOUSLY** in support of the **Michigan Republican Party Chairwoman Kristina Karamo**. We recognize Kristina Karamo as the true and only Chair of MRP, duly-elected by the Precinct Delegates of Michigan.

We call for an immediate end to the constant attacks on our party, and the games being played by an organized group of establishment, sore losers and exploited followers. We call for an end to the deliberately deceiving communications being sent by Malinda Pego and her group.

**Resolution of Support for Michigan Republican Party Chairwoman Kristina Karamo.**

**WHEREAS**, Precinct Delegates from across Michigan, are elected by the voters in their home precincts to represent them at State Convention, and to exercise their best judgment in electing a State Party Chair.

**WHEREAS**, Kristina Karamo was elected to the party Chair position by a majority of the Delegates present at the GOP State Convention in February of 2023.

**WHEREAS**, following the outcome of the election of the Chair, many of the people who are now attacking Kristina Karamo as the Chair, pledged their support to help make her administration a success.

**WHEREAS**, Chair Karamo was left with over half a million dollars of debt by former Chair Weiser, who also refused to turn over the computer system and data files necessary for Party administration and fund raising.

**WHEREAS**, a small but relentless group of disgruntled Party members, some of whom hold positions of trust on the State Committee, have worked to sabotage the work of Kristina Karamo, and replace her after she was elected by party Delegates with an unnamed person of their choosing, who would not have to answer to the Delegates.

**WHEREAS**, if these subversives are successful, the duly elected Chair would be replaced with a person chosen by a handful of State Committee Members, who do not represent the will of the Precinct Delegates nor the voters who elected them.

**WHEREAS**, this type of infighting is destructive to the MIGOP, and aids Democrats.

**BE IT RESOLVED**, that the Crawford County Republican Committee is one hundred percent behind duly elected Chair Kristina Karamo, and supports her efforts to defeat Democrats in the upcoming election year. We urge all of our fellow Republicans throughout our great State of Michigan to unite in support of our Chair and our mutual goals.

## **STATEMENT IN SUPPORT OF CHAIR KRISTINA KARAMO**

Having been decisively elected as our state chairperson by rank-and-file local delegates in the third round of voting at the August 2022 State Convention in Lansing, Kristina Karamo as our duly elected Chair, deserves our undivided support and cooperation.

Party business has been disrupted because of the many allegations levied against the sitting Chair and her administration.

The Cheboygan County Republican Executive Committee remains silent on the allegations made against Kristina Karamo and her administration, until given the opportunity to review documented proof.

However, on the unanimous vote of officers of the Cheboygan County Republican Party, support for Kristina Karamo remains steadfast.

If, at some point, authentic, verifiable proof is presented, the officers of the Cheboygan County Republican Party will reconsider their stance.

Until that happens, we continue to offer our full support and cooperation to Kristina Karamo and her administration and encourage our fellow Republicans throughout Michigan to unite and do the same.

## **Gratiot County Republican Party Resolution No. 2024 – 1**

### **A RESOLUTION TO UNIFY AND RESOLVE DISPUTES BETWEEN THE ELECTED STATE CENTRAL COMMITTEE AND THE OFFICERS OF THE MICHIGAN REPUBLICAN PARTY**

**Whereas** the 83-county parties in the State of Michigan, which are constitutional entities, come together in convention every February of odd-numbered years to create the Michigan Republican party; and

**Whereas** Elections held at the convention of February 2023 have consequences; and

**Whereas** the Officers and State Central Committee were elected by precinct delegates representing all Michiganders at the February 2023 Convention; and

**Whereas** the outcome of the election proved that the Michigan Republican Party is solidly in the hands of “We the People,”; and

**Whereas** Chairwoman Karamo was sabotaged by nearly a half million dollars in debt left by her predecessors, and the over \$7,000 a month burden of the Secchia-Weiser Republican Center building obligation, located at 520 Seymour Ave., Lansing MI; a building used by the previous administration and not by Kristina Karamo and her current administration; and

**Whereas** it is now 2024, we face the most important election in our history to save this country and to save the American dream; and

**Now Therefore Be It Resolved**, the Gratiot County Republican Party calls on the elected State Central Committee and the elected Officers, created from the authority of the county’s elected delegates, to agree to end all disputes at the State Central Committee meeting on January 13, 2024. After the close of business of that meeting, we call all the elected to work primarily on the election of 2024 to save the American dream, the Constitution, and the country we all love.

**Let It Also Be Known** that a copy of this resolution will be transmitted to all Republican Party County Chairs, to inform them of our support and to ask each county chair to do the same.

Approved by a majority of the Gratiot County Republican Party Executive Committee present and Voting on this day, January \_\_, 2024.

## Statement in support of Chair Kristina Karamo

January 8<sup>th</sup>, 2024

With respect for transparency and in light of the ongoing discord in the Michigan Republican Party, we wish to inform the MIGOP State Committee that the members of the Missaukee County Republican Committee fully support Chair Kristina Karamo, who was elected by a majority of the delegates attending the August 2022 convention in Lansing.

Chair Karamo was elected with the help of the grassroots of the Republican party, and she won overwhelmingly in an election that was fully transparent to the delegates who were there. She has worked hard to rebuild an infrastructure and database to communicate with the MIGOP membership and to be present at Republican functions around the state. We support her efforts 100% to help Republicans win in the upcoming local, state, and federal elections.

We urge our fellow Republicans throughout Michigan to unite and support Chair Kristina Karamo in her efforts to lead the Republican party to victory in 2024.

### Resolution #2024-01

### Resolution Supporting Kristina Karamo, Chairwoman, MIGOP

**Whereas**, the state of the Republican Party has devolved over a period of many years until the vast majority of Delegate seats were left unfilled leaving a clear path for entitled elite to do their personal bidding.

**Whereas**, the Republican Party has been infiltrated by multiple avenues of non-Republican thinking with a severe lack of resolve to uphold the Republican Platform and protect and project the most basic will of the People, specifically the Republican voter.

**Whereas**, many of the previously vacant Delegate seats have been filled by true Republican Delegates, duly elected by the People they represent and said Delegates have found their voice and with pure hearts and astonishing fervor, stood their ground in solidarity to restore the voice of the People.

**Whereas**, in recent years our duly elected Republican Delegates stood their ground and used their voice in solidarity to successfully put a halt to the unseating of many duly elected Republican Delegates from being replaced by appointed delegates who were recruited to diminish the will of the People and enforce the will of certain people who operate behind the curtain.

**Whereas**, the duly elected Republican Delegates who truly represent the will of the People, replaced the prior Chair to the Michigan Republican Party by way of a fair and legal election at which nine (9) other candidates were defeated and Kristina Karamo was elected as the Chairwoman to the Michigan Republican Party.

**Whereas**, a certain group of people who call themselves Republican Delegates have been unhappy with the choice of the Republican Delegates who truly represent the will of the People and prior to the election of Kristina Karamo, they began their campaign against her, using ill-conceived tactics to sabotage and falsify information in their effort to unseat Kristina Karamo from the position we elected her to fulfill.

**Whereas**, Kristina Karamo has demonstrated amazing patience and strong leadership in her role as Michigan Republican Chairwoman, resolving many challenging situations, utilizing good judgment with determination, showing her commitment to the Republican Party Platform, expending tremendous effort to unify and strengthen our party and showing the utmost confidence, against all odds.

**Therefore, be it resolved**, that the Oceana County Republican Committee expresses its unwavering support for Kristina Karamo's leadership and appreciates her dedication to advancing the party's

beliefs and goals as well as working toward the preservation of the very survival of our future generations.

**And now, therefore be it further resolved,** that the Oceana County Republican Committee condemns the recent actions of and will not tolerate the sabotage of the Republican Party or the dilution of our Delegate votes being erased by any individual person or group such as those within the Telegram channel group and/or any of its sidelines who falsely represent themselves as MIGOP INFORMATION and seek to sabotage Kristina Karamo and by extension sabotage the success of the Michigan Republican Party.

## **Support for Kristine Karamo**

Dear RNC Chair,

I'm writing in support of State Chair Kristina Karamo who has been hindered in her duties by those in who she placed her trust.

From taking office, the outgoing Committee refused to transfer records and financial documents. Committee Members failed to maintain communication with the District and County Parties, instead, acting to undermine her administration of the party.

On the 13 of January, we acted to remove those that had prevented the proper running of our organization.

I have absolute confidence in Kristina's abilities as Chair of the Michigan State Committee.

To Whom It May Concern,

The Benzie County Republican Party fully supports the duly elected  
Chairwoman Kristina Karamo as the only true chair of the true MIGOP.  
We ask you to fully support her as well.

Thank you,
