The co-chairs of the HSI Student Experience Committee met recently to review information before its HSI Student Experience Committee meeting December 5. They proposed focusing on the following questions for Student Experience:

- **What current resources, groups, events, etc. do Latinx Students know about and use?**
- **What current resources, groups, events, etc. do that Latinx Students know about but do not use?**
- **What current resources, groups, events, etc. are Latinx Students not aware of?**
- **What resources, groups, events, etc. do Latinx Students want that we do not have?**
- **How/Where do Latinx students access the information above, as well as each other, Latinx Staff and Faculty?**
