### **COMMUNICATION DEVICES: THE BASICS FOR PARENTS & CAREGIVERS** **TUESDAY JANUARY 30TH, 2024 @ 6:00-7:30PM** **COST: BY DONATION**

Join us for an interactive & informative workshop by **Samantha Enns, Speech-Language Pathologist** at the Open Access Resource Centre (OARC). Sam will guide parents and caregivers through important considerations when thinking about getting a communication device for their child. While this workshop is designed for parents and caregivers, anyone looking to learn more about communication devices is welcome to attend!

#### **During the workshop, participants will:**

- Gain a clear understanding of Augmentative & Alternative Communication (AAC) and when it is recommended.
- Learn about the purpose of a high-tech communication device.
- Discover essential elements to look for in a communication device.
- Separate myths from facts surrounding communication devices.
- Learn key strategies needed for the successful implementation of a communication device.
- Discover how the Open Access Resource Centre (OARC) aids children in Manitoba who require communication devices.
- Have the opportunity to ask a registered Speech-Language Pathologist questions and more!
