Warm western hospitality...an endless array of adventure...lush majestic landscapes...rustic elegance...rich culinary delight...love & togetherness...mountain memories to last a lifetime.

When one conjures up images of the American West,
luxury and elegance may not be the first words which come to mind,
but we found a second look is well worth taking.
So, while it may be a bit of a stretch to go from visions of dusty cowboys
and tumbling sagebrush to sophisticated boutique resorts
and first-class amenities, we challenge you to do so.

You will be delightfully surprised and truly inspired.

SOUTHERN, WYOMING: *Adventurous Splendor*

Words by Carolyn Steere

The setting you select for your destination wedding is like the artist's canvas, providing rich inspiration for you to build on as you meld your personal touches with the unique aspects of the location. Inspiration abounds and the spirit of the West is alive and well at the Lodge and Spa at Brush Creek Ranch, located in the wide open spaces of southern Wyoming.

Adventure and luxury...this is a place where your guests can enjoy a one-of-a-kind, authentic ranch experience as they fly fish in the morning, indulge themselves at the spa in the afternoon and then kick up their heels and don their finest to dance under the stars at your rustic-chic wedding reception that evening.

In winter or summer, this 15,000-acre working cattle ranch is the perfect setting for creating lasting memories with family and friends. Where else can you host a poker tournament or Karaoke contest in a western style saloon, or treat your groomsmen to a guided fishing expedition all on the same day? Snowshoeing through pristine snow, sitting around the warmth of a fire pit or sharing a sumptuous meal in the elegantly appointed lodge are all opportunities for bonding at its finest.

The accommodations are both rustic and first class, with warm touches inspired by the natural setting. The 38,000 square-foot Trailhead Lodge can host your guests and serve as the main gathering area with meals served "family style," or you can choose to reserve Magee Homestead, a remote "hideaway" for a more exclusive experience for up to 25 guests.

When it is time to say and celebrate your "I do's," deciding on a unique and picturesque setting may prove difficult with all of the options at your disposal. For more inspiration see the wedding of Alexi and Beno on page 98.
