## FAMILY PIZZA TIME!

Recently we took some of our families to Pizza Express in Lewes for our first family event of 2022, where parents and children alike came together to make pizzas, have fun tossing dough, and to fill the room with laughter!

Our Pizza Express host had everyone tossing their very own dough before being let loose on the ingredients- resulting in Chris making a mess with the flour!

Whilst the pizzas baked in the oven, our families got to chatting, sharing stories and making bonds with others going through similar situations. These small intimate events allow our families to connect with each other as well as getting to know our staff and volunteers on a more personal level. Not long after, everyone was treated to a round of gelato before heading home.

We would like to show our appreciation and profound thanks to Enjoolata Foundation who kindly sponsored this event, as well as the welcoming and accommodating staff at Pizza Express Lewes- we can't wait for what more is to come!

# WEALDEN CREMATORIUM DONATES £15,000

Wealden Crematorium have made an incredible donation of £15,000 to us, which will enable us to continue granting wishes and funding events!

This amount will go a very long way especially in funding our big family events such as our trip to the Isle of Wight and other family holidays.

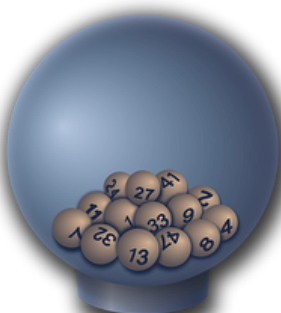

## LILY'S 18TH BIRTHDAY WISH

We recently had the pleasure of seeing another one of our families hit the 18th birthday milestone, so we treated her to a bottle of bubbly, some treats for a well deserved pamper session and vouchers.

Whilst the remit of our work finishes once a child turns 18, we like to be there before and after treatment, which is what he have been told makes us different different.

## CLUB 200 WINNER

We are excited to announce that this month's winning number is 34!

This mothers day, why not treat your mum by gifting her a Club 200 number?

To choose your number, email:
