RIDING THE WAVES WITH WET WHEELS

Some of our families were recently welcomed by Wetwheels Solent for an absolutely brilliant day of boat trips along the South East coast- and they had a blast getting splashed!

Blue skies and sea awaited our families on a sunny Saturday, where the Wet Wheels crew gave them an unforgettable experience- even allowing the passengers to take control of the wheel and captain the boat along the coast!

Laughs and squeals of excitement echoed around the boat as it ripped through the waves and made a trip along the Seven Sisters cliffs, up to Beachy Head Lighthouse and back into Eastbourne Sovereign Harbour.

DONATIONS TO MAKE A DIFFERENCE

We simply could not carry out the work we do without the fantastic support we have from groups and organisations in the local community.

Two recent donations we have received, from Lightning Fibre and Open Reach, and Barratt Homes, will go towards funding family events, and 18th birthday wishes, which is always an emotional time for our families as they officially leave CWCF.

This is a bittersweet moment, as the family leaves our care but we hope to give them one last sweet memory as they go into adulthood! These donations will make a significant difference in making sure these wishes and events are unique and special.

SKY HIGH ADVENTURES

You may have seen on our social media channels that our families have been given the chance to forget about the difficulties they have been through with a flying experience over the Sussex countryside, thanks to Flight Aviation Sport. One young man even got a birds-eye-view of his house from 1,000 feet up, which is not something you see everyday!

CLUB 200 WINNER

We are excited to announce that this month's winning number is 72!

TAKING A WALK ON THE WILD SIDE

Some sizzling summer fun took place over the weekend as our families headed to Drusillas Park where they took a walk on the wild side at the zoo, and reached for the sky on the rides.

They soared above the tree canopy on 'Amazon Skyrise' in a Rainforest Adventure, and took a walk through the zoo discovering majestic animals including red pandas, meerkats and sloths.

Everyone then came together at lunch for a little treat- for some it was doughnuts and others opted for ice cream! Our hosts for the day enjoyed getting to know the families and bringing them together with each other to make friends as well as memories.

Thank you to Ecclesiastical for sponsoring this event which always prove a hit with our families.

"Thank you for such a lovely day at Drusillas."

"Just wanted to say thanks to you and all the volunteers at our trip to Drusillas. We all really enjoyed it!"
