FAMILY FUN!

Our Brighton families recently hit the tracks to race fast and furious style at one of our Brighton area events at Teamsport Go Karting!

The families raced for 1st, 2nd and 3rd place, with a celebratory meal awaiting them in the cafe after.

In other news, thanks to Lewes District Council we were able to treat them to a meal at The Green Man Pub, where they shared news and thus support of one another. This is vitally important for them, and is one of our prime reasons for putting on family events.

WILD ADVENTURES AT CHESSINGTON!

One of the latest wishes at CWCF saw one family head to Chessington resort, where they were transported to a world of adventures!

"We just wanted to say a huge thank you for 'E's' wish . We went to Chessington last Friday and she had an absolute blast!"

Themed lands, rollercoasters, and exciting rides awaited them, which was made all the better as the rest of the family made it out of hospital just in time to join them.

Thank you to everyone who supports what we do- you made this happen.

EASTBOURNE CHAMBER GOLF DAY FUNDRAISER

A huge thank you to everyone who supported the Eastbourne Chamber of Commerce at their recent fundraising golf day, which raised an amazing £1927.45, which will be topped up to £2,000 by the chamber.

Congratulations to the winners of the raffle...one lucky winner went home with a wheelbarrow full of booze!

ONE GREAT DAY LANGNEY

The annual 'One Great Day' at Langney Shopping Centre recently took place, with us being one of the benefitting charities.

Our wonderful volunteers greeted passers-by with the chance to win a prize at the teddy tombola, which was followed by a bottle tombola, leaving adults and children alike with smiles on their faces as well as raising funds for us!
