SPRING IS IN FULL BLOOM

Spring is in the air & it's truly BUZZING at CWCF HQ! Wishes, fundraising, events galore!

It has been a VERY busy month here at CWCF. So it's that time again to stop & take a moment to smell the flowers...

WISHES

Getting our magic wish granting wand out is one of our most favorite aspects of the (MANY) things we do here at CWCF! A few wonderful 18th birthday wishes (how can they already be 18?!?)

Swishing our wands this month with super tech goodies for an amazing 18th Birthday wish. A huge 4 terabyte hardrive for all the gaming/streaming needs. Big tick from him!

Next up was the wishes list was an incredible & very special looking necklace for another fabulous young lady who turned 18 years old (we're feeling very old now indeed!)

CHECK OUT THE NEW RIDE

We was so excited when the crew from C J Thorne & Co LTD turned up with their brand new lorry & offered for us to use it for this years carnival!!! What a beauty it is is! You certainly won't miss us now! Thank you for this amazing opportunity & for always supporting us!

FAMILY EVENTS

Brighton Pier Pressure Escape Rooms was on the agenda for our families & what a fantastic events!

You'll be pleased to know we all escaped & it seems we have some curious code crackers on our hands! Had a brilliant time 'escaping' & a lovely meal just rounded off a perfect day.

FUNDRAISERS

We have (as usual) some incredible people walking through our doors with some wonderful fundraisers!

First we have Jean, Peggy & Linda who have been truly outstanding fundraisers & have been doing daily stalls outside their house & attending all the local village markets selling second hand items & plants for CWCF & raised £500!

Then we have our amazing friends Fran & Robin who are not only setting up a cream tea fundraiser for their friends and family but Robin is running the Hastings half marathon this year! Wow! Putting us to shame!

25 EVENTS FOR 25 YEARS

This year we will be gearing up for our big 25th anniversary! We are aiming to achieve 25 events to raise awareness, support for our families & fundraising. If any of you lovely readers out there would like to sponsor a family event please contact us at

THANK YOU FOR YOUR CONTINUED SUPPORT

CWCF 'GET TO KNOW US' EVENT

We thought (after 25 years) it was about time we held a 'get to know us' evening & inviting everyone we possibly could to shout about who we are & what we do. That was achieved for sure! It was a brilliant evening had by all! We want to thank everyone who came to support & also stunning View Hotel for helping us host the event.

EVERY LITTLE HELPS

We heavily rely on regular donations coming into the charity. We know that times are tough at the moment with everything going on in the world but being a regular donor would give the charity so much financial stability & make such a difference to a families affected by childhood cancer.
