for her!

Birthday Bingo

- Getting Started: Each guest receives a "Birthday Bingo for Her!" sheet upon arrival.
- Playing the Game: As the birthday celebration unfolds, players should mark off the events or items they witness from their bingo card.
- Bingo!: The objective is to be the first to get five boxes in a row—horizontally, vertically, or diagonally. When someone achieves this, they shout "Bingo!".
- Winning: The first person to shout "Bingo!" should have their card checked for accuracy. If they have a valid bingo, they win! Have a prize on hand for the winner.

Guess the Age

- **Examine the Photos:** Take a look at the display featuring various photos of the birthday girl from different stages of her life.
- **Guess Her Age:** For each numbered photo, try to guess the age of the birthday girl when that photo was taken. Be sure to write your guesses next to the corresponding photo.
- **Submit Your Guesses:** Once you've guessed the age for each photo, submit your guess sheet to the designated area or person.
- **Winning:** The player with the most accurate (or closest) guesses will win a special prize. Enjoy the game and may the best guesser win!
