COMPOSERS SUMMIT PRAGUE

OPENING CONCERT

Municipal House

TECH-MEETS-ART LAB

Tech-meets-art Lab is a blend of talks and booths curated by esteemed audio tech companies including Native Instruments and Steinberg. You can also learn about new products from start-ups like Freque and Submix. And don't forget Musiversal remote recording service. Gaming is presented by a curated exhibition by Czech Centres including the best gaming titles and by Bohemia Interactive - a successful global game producer.

Elevate your skills in music creation through this meticulously crafted program, promising both intellectual enrichment and artistic inspiration as industry leaders and emerging companies share their insights and innovations.

The raffle game with valuable prizes and giveaways from the partners such as Native Instruments, Orchestral Tools, MeldaProduction, United Plugins, BitWig, U-he, Steinberg, UVI, WA production and more. The total prize pool is around €10 000.

COMPOSERS SUMMIT PRAGUE

OPENING CONCERT

SPECTACULAR MUSIC OF HOLLYWOOD

World-renowned stars of film music personally conduct their most famous works performed by the Czech National Symphony Orchestra accompanied by special projections. Breathtaking main themes from acclaimed films such as Star Wars, The Greatest Showman, Iron Man 2, Il Postino, Cut-throat Island, along with compositions from the successful Apple TV series Ted Lasso, and iconic music from the renowned video games Assassin's Creed and Hitman, will resonate in the Smetana Hall of the Municipal House.

More than a dozen Hollywood composers will take turns as conductors on one stage, presenting spectacular music from films, series, and video games: Star Wars, The Greatest Showman, Iron Man 2, Il Postino, The Princess Diaries, Liar Liar, Ted Lasso, Assassin's Creed, Hitman, Moneyball, Hellraiser, Bob the Builder, Guild Wars 2 and more.
