

PURPOSE

The B Probe is used to manipulate the lock dogs on a BKO style top no-go / bottom no-go style lock mandrel to allow dogs to collapse. This allows the assembly to be removed from a profile, or tubing collar.

PRECAUTIONS

Ensure that the probe body does not get worn down too far to prevent lock dogs from retracting properly.

Nominal Size	2.062"	2.00"	2.50"
Part Number	0703B20601	0703B20001	0703B25001
