

Greetings,

In anticipation of your upcoming Gamecock Orientation, please complete your **REQUIRED** JSU EdReady Math and English Placement assessments prior to attending orientation. Please complete the exams as soon as possible. For more information and how to complete the exams please visit the following page <https://www.jsu.edu/studentsuccess/placement-exams.html>.

Please note, that if you do not achieve the necessary score for your required math or desired English (first year writing course) you may work your study path, generated when you complete the assessment, to that score and still enroll in the class.

Please visit <https://www.jsu.edu/studentsuccess/assistance-placement/math-placement.html> to locate the necessary scores and required math by major. If you are undecided as to a major, please use the score for MS 112. It is recommended that you continue to work your study path to a score of 100 so that you are best prepared to achieve the most success in your first for-credit math class at Jacksonville State University

Please visit <https://www.jsu.edu/studentsuccess/assistance-placement/english-placement.html> for more information on the JSU English Placement and first year writing courses at JSU. It is recommended that you continue to work your study path to a score of 100 so that you are best prepared to achieve the most success in your first year writing course at Jacksonville State University

If you have **MATH or ENGLISH** Dual Enrollment or AP credit you are exempt from the placement exam. Please email \_\_\_\_\_ at \_\_\_\_\_ and your credit will be verified.

If you have completed your JSU Math and English Placement exams, please disregard this email. If you have any questions or concerns, please do not hesitate to contact me either via email, or phone. Enjoy your Gamecock Orientation!

Looking forward to seeing you at JSU,

*Mary Reagan*

Hello,

It has come to my attention that you have not completed your MANDATORY JSU EdReady Math and English Placement assessments. Please complete your **REQUIRED** JSU EdReady Math and Placement assessments as soon as possible. For more information on the assessments and how to complete them please visit the following page <https://www.jsu.edu/studentsuccess/placement-exams.html>.

Please note, that if you do not achieve the necessary score for your required math you may work your study path, generated when you complete the assessment, to that score and still enroll for your required math. If you do not work your study path to the requisite score **BEFORE the first day of class**, you will need to complete MS 100 before you will be able to register for the math required for your major.

Please note, that if you do not achieve the necessary score for your required math or desired English (first year writing course) you may work your study path, generated when you complete the assessment, to that score and still enroll in the class.

Please visit <https://www.jsu.edu/studentsuccess/assistance-placement/math-placement.html> to locate the necessary scores and required math by major. If you are undecided as to a major, please use the score for MS 112. It is recommended that you continue to work your study path to a score of 100 so that you are best prepared to achieve the most success in your first for-credit math class at Jacksonville State University

Please visit <https://www.jsu.edu/studentsuccess/assistance-placement/english-placement.html> for more information on the JSU English Placement and first year writing courses at JSU. It is recommended that you continue to work your study path to a score of 100 so that you are best prepared to achieve the most success in your first year writing course at Jacksonville State University

If you have **MATH** Dual Enrollment or AP credit you will be exempt from the placement exam. If you have submitted your transcripts over a week ago, please email me to verify your credit.

If you have any questions or concerns, please do not hesitate to contact me either via email, or phone. Enjoy your Gamecock Orientation!  
Looking forward to seeing you at JSU,
