

BORN IN BROOKLYN,
AND RAISED IN VANCOUVER.

Since opening our doors in 2017, we’ve been making authentic Brooklyn-style pizza. And if you know anything about Brooklyn, it’s about one thing: respect.

We respect our customers.
All of them. Every visit.
No matter what.

We respect this great community that we’re privileged to serve and call home.

And we respect our food.

We are die-hard pizza people.

That means everything is homemade, including dough that takes 3 days to prepare, premium local ingredients, and authentic cooking methods.

Thanks for joining us.
