EASY AND CONVENIENT GETTING TO AND FROM

Hotel GUESTapart is located in the beautiful north of Aarhus.

We are neighbors to 150 other cool companies and, not least, close to Aarhus University Hospital.

Between us lies a light rail stop and a number of bus lines - just a stone's throw from our front door.

If you come by car, you can park your car with us without worry. There is free parking with an entrance from Tueager and the motorway is just around the corner.

If you have an electric car, fear not. We have Clever charging stations.

So it is no problem to get to or from GUESTapart.

WORLD CLASS CARE

There is of course a need for energizing catering during the long (and the short) meetings - we provide that!

Our skilled chefs make breakfast, morning snacks and delicious afternoon cakes - mostly from scratch, mostly organic and mostly local. We love it! For lunch, you enjoy Lars & Lennart's delicious "Mundretter".

Now you are probably thinking: who are Lars and Lennart?

Two wonderful brothers who make delicious, different portioned dishes, served in glasses.. Experience a wealth of flavors that will make your mouth water!

Ps: Of course you can also have Mundret for dinner.

60-90% of everything we buy is organic

TAKE A WELL-DESERVED RELAXATION IN ONE OF OUR COZY, GREEN LOUNGES

Enjoy a cup of coffee during the break or end the meeting day with a cold teddy bear or soft drink with your hard-working colleagues. Our lounges 'Forhaven' and 'Baghaven' are decorated in the spirit of comfort and are full of design, colours, green plants and a cozy atmosphere. The 'backyard' is the perfect place to hold receptions, where in the summer months you can also enjoy the sun on the terrace just outside. The 'Forhaven' is the heart of the entire hotel, and this is also where we always hold a Friday bar with 'happy hour' and full throttle on the fun.
