

Privacy policy

Mesoline B.V. ("Mesoline") is the controller of the processing of all personal data collected through the website. Mesoline respects your privacy and complies with the provisions of the GDPR and the Dutch data protection regulations. Mesoline does not collect or process personal data through the functional cookies placed by Mesoline. Mesoline only processes personal data that a user voluntarily provides to Mesoline, by means of registering on the website for a service provided by the website, sending information via the contact form and other requests or messages by the user via the website. Mesoline' primary purpose in gathering and transferring these personal data will be to provide a user with all services of the website, with ease of use of the website and to answer questions of the users.

reCAPTCHA protection

All forms on this site are protected by reCAPTCHA to help us detect abusive traffic on our website without any user friction. Google's Privacy Policy and Terms of Service apply for reCAPTCHA.

transfer, storage and processing of data

The transfer, storage and processing of data collected through this website is secured by means of current, usual technical measures. Mesoline may transfer your personal data to its group companies. Mesoline may also provide your personal data to third parties, which will only process your personal data according to instructions of Mesoline and under the responsibility of Mesoline. Mesoline will not provide your personal data to any other third parties, unless there is a legal obligation to do so.

access, correction and removal

You can request Mesoline to provide access to the personal data it has collected about you at any time. You can also request Mesoline to correct or to delete such personal data. Please send an email to info@mesoline.com in case you have any questions concerning anything on this page.

This Privacy Policy may be changed over time. Such changes shall be effective immediately upon the posting of the modified Privacy Policy. Users of the Website are advised to regularly read the Privacy Policy for possible changes.
