More Info

Waste Connections reserves the right to refuse any recyclables if contaminated or unacceptable. Refused recyclables will be disposed of in the garbage truck.

- Wash out all food and beverage containers. Even one dirty item contaminates the whole load.
- Boxes need to be flattened to save room in the truck.

If you have any questions, please call us at 800-871-5566, Monday – Friday, 8:00 a.m. to 5 p.m.
