# WELCOME HERE VOI VINEYARD 61 CHURCH

WELCOME TO

Vineyard 61 Church

We are delighted that you're interested in knowing more about life at V61. This booklet is designed to give you an idea of who we are and what we're all about.

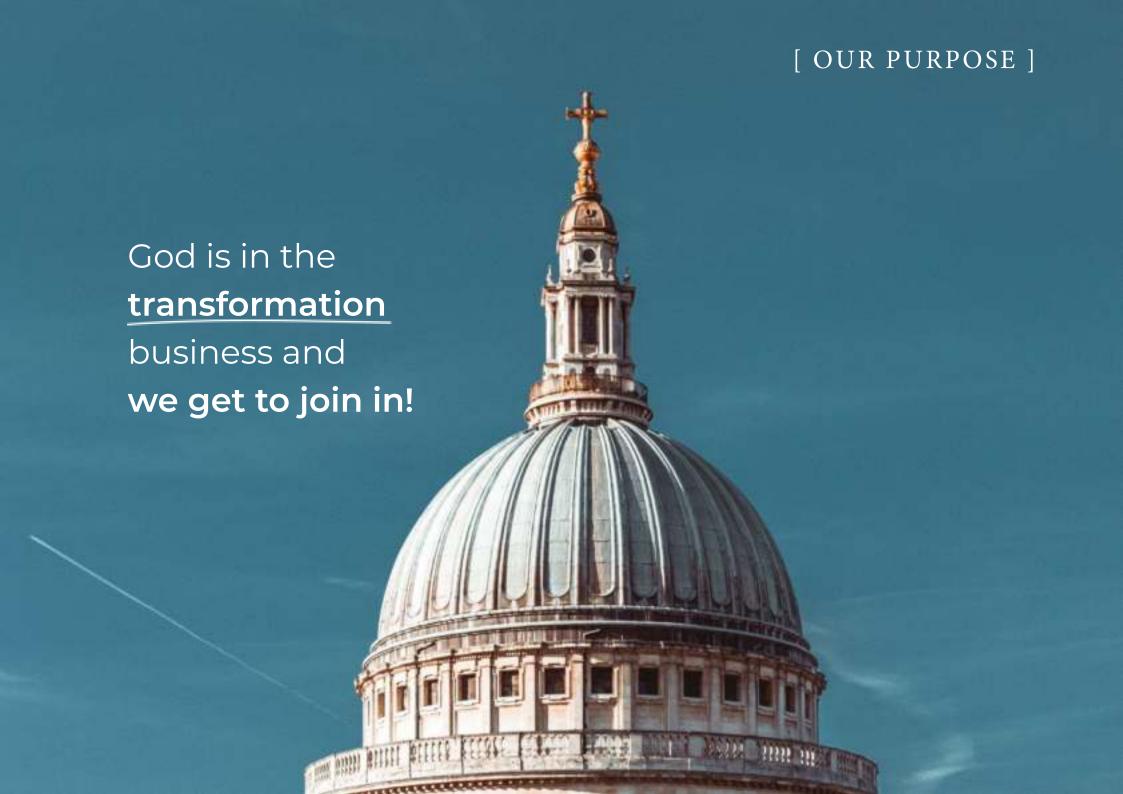

#### A LITTLE BIT ABOUT US

Our journey began in 2015 with a small group of people meeting in a home with a vision to start **a church that** would bring life to London. We have grown to become the multisite church that we are today, with three physical sites meeting in Balham, Battersea and West Side.

If you're looking for a church to call home, we would love to invite you to join us as we seek to bring transformation to our city. There are loads of ways to get involved at V61, whether that's Sunday services, midweek groups, compassion projects, joining a team or coming along to one of our many sports or social events.

You are so welcome here and we're looking forward to getting to know you!

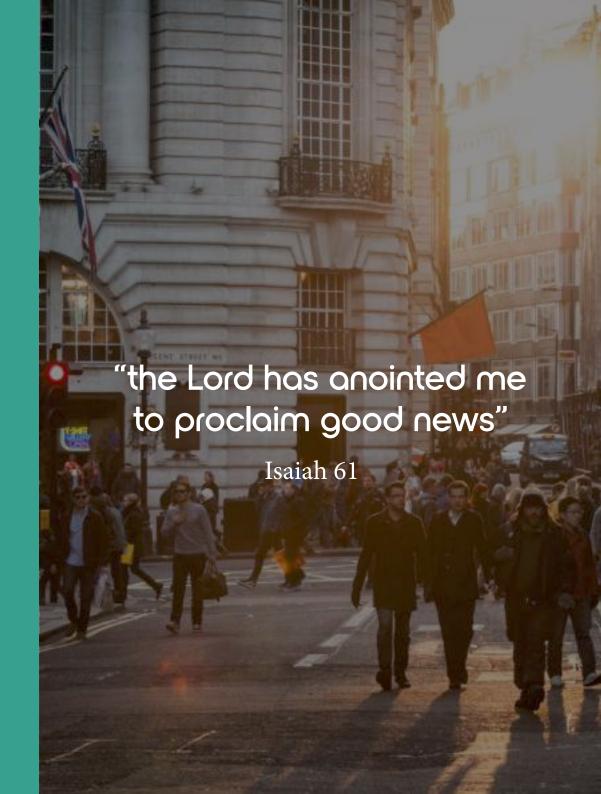

With love, Steve & Viv

# [OUR VISION]

We are a people carrying **the mandate of Isaiah 61**, where the Spirit of God is upon us to bring transformation.

We want to see multiple thriving sites across London with **Worship**, **Formation** and **Mission** at their core.

# [ MULTI-SITE CHURCH ]

### What is a multi-site church?

One church - multiple locations

We are one church - Vineyard 61 - with three sites.

We think this is a great model of doing church; we gather at each site with the same content, quality and feel, but church is done on a local level so more people can have the opportunity to feel included, lead, serve and become part of the family.

Multisite also empowers the local sites to impact their communities, and more people in different areas get the chance to encounter God for themselves.

Whether this is your first time visiting or you've been part of our community for years, our hope is that you would find connection at one of our sites and we invite you to join us on mission to bring transformation to our communities and city.

We're excited for you to find your fit.
