Complete your Brightwell Navigator setup with DirectPay in 3 steps!

Set up automatic transfers directly to your bank account each payday by following these 3 easy steps:

1. Enroll in Brightwell Navigator
2. Add a bank account
3. Set up DirectPay allocations

1

Enroll in Brightwell Navigator

(card required to enroll)

- Wait until you receive your card to begin enrollment
- After completing enrollment, your card and account are active

2

Add a bank account

(typically 24 hours)

- Gather these bank details:
  - Account number
  - Routing number or IFSC code
  - Bank address
  - SWIFT code (request from your bank)

Important:
Until you set up DirectPay (step 3), all your pay will remain on your card

3

Set up DirectPay

(after bank approval)

- After bank account approval, set up DirectPay by entering in a % percentage of your pay that will go to your bank and your card
- Must set up DirectPay 3 business days prior to payday

Success!
After completing these steps, your account is ready to send money to a bank
