SPIRIT WORKS DISTILLERY STRAIGHT WHEAT WHISKEY

Our Straight Wheat Whiskey is mashed from 100% organic red winter wheat grown in the Sacramento valley. Like all of our spirits, this whiskey is milled, mashed, distilled, aged, and bottled on site here at the distillery, giving us complete control over the end result. We carefully select our barrels to not overpower the grain in our whiskeys, which gives us a beautiful balance of flavors. Always aged in new, full size American charred oak barrels – this incredible whiskey is welcoming with familiarity from the wheat yet surprisingly complex. Best enjoyed neat. Aged a minimum of 4 years.

ABV: 45%

TASTING NOTES:
