SPIRIT WORKS DISTILLERY BARREL RESERVE SLOE GIN

The first (and only) of its kind, our Barrel Reserve Sloe Gin starts life as our standard Sloe Gin, before spending time resting in new American oak barrels, where it transforms into a rich, full-bodied liqueur with notes of dark cherry, clove, cardamom, and orange peel. This incredible aged Sloe Gin is most often enjoyed as a digestif on its own, but is known to show up in specialty cocktails around the San Francisco Bay Area.

ABV: 30%
