Experience

The Grindstone Group LLC | UI/UX Specialist
Peoria, IL (February 2021 - Present)

2023 - Present | Employee
- Orchestrated the end-to-end design process for a published mobile app in collaboration with a developer, following agile principles; facilitated its availability on Apple App Store and Google Play.

2022 – 2023 | Intern
- Managed a portfolio of long-term web clients, ensuring timely delivery of projects and fostering strong client relationships to maximize revenue opportunities.
- Execute in-depth analysis of client monthly SEO status and value-added.

2021 – 2022 | Contract Work
- Collaborate with senior designers to deliver high-quality web design projects.

B302 | UX Designer
Arnhem, Netherlands (January 2023 - June 2023)
- Worked in a design bureau affiliated with Han University in a large team setting, contributing to the development of innovative solutions and achieving project objectives within tight deadlines and allocated resources.
- Identified UX improvements and contributed user flows, mockups, and research to projects. Created two-dimensional art assets for client projects.

Big Picture Peoria | Contract Interface Designer
Peoria, IL (July 2022 - October 2022)
- Orchestrated Agile sprints and meticulously tracked progress to ensure timely delivery of augment reality app for a successful public launch. Currently available on the Apple App Store and Google Play.

Bradley University | Teacher Assistant
Peoria, IL (August 2021 - May 2022)
- Assisted with teaching introductory material in CSS, HTML and web design. Improved student's understanding by giving in-depth explanations and workshopping issues.
