SCHOOL GUIDE

VANCOUVER, CANADA

Your path into a top global university is our priority

Dear Students and Families,

We are thrilled that you are interested in learning more about Regent Christian Academy, an Independent Christian School located just outside of the heart of Vancouver. Here we offer international students incredible academics, extracurriculars, support services and more to ensure that students have a positive, engaging and enriching educational experience.

International students are immediately embraced as part of our school community from the moment they arrive on campus. Our caring faculty and small class sizes give each student the individual attention they need to grow, learn and reach their full potential.

Our program prepares students for acceptance into top Canadian universities, all while they enjoy life in beautiful Vancouver – filled with outdoor adventures, international cuisine, shopping, museums and much more.

Regent Christian Academy offers international students access to a full range of services, including:

- ESL classes and After School tutorials personalized to each student's proficiency level
- University guidance and academic counseling tailored to fit the needs of international students seeking entrance to preferred universities and advanced programs
- Homestay placement, transportation and student support services

We hope to see you on campus soon!

Best wishes,

Travis Bryerton

RCA Academics

Through RCA's academic program, students can explore their interests, discover their passions and take advanced, university-level coursework. The RCA program adheres to the rigorous British Columbia graduation requirements, including the Career Exploration Program and the Capstone project, which allows students to prepare for their future academic and career fields while gaining real-world experience. RCA's wide range of elective courses allows students to try new activities and learn more about unique subjects.

Students can also take AP courses through online partners, allowing them to take advanced coursework that sets them up for future university success. RCA is an approved AP Exam Centre.

Career Exploration Program

From the moment students arrive at RCA, they begin exploring future careers. Students take a Career Life Course each year, where they build resumes, take part in mock interviews and participate in Q&As with local business leaders. Students also have internship opportunities, where they gain experience working for an organization related to their areas of interest, including medicine, science, finance and more.

Program Highlight: Robust Arts Program

RCA offers students an expansive range of fine and performing arts courses, as well as after school clubs and performances for students to gain hands-on experiences. Students can join Band or Choir, take courses in Drama, or learn a wide range of skills in the Art Studio classes. RCA also offers a Media course for students to learn more about filmmaking and production.

ADMISSIONS REQUIREMENTS

We look forward to welcoming students who are “Mighty in Spirit.” Applicants must pass an admissions interview and present transcripts that demonstrate good past academic performance.

Grade 12 students are encouraged to select a capstone development project that aligns with their interests and strengths, their community connections, and learning areas they would like to explore more deeply to help support their plans for post-graduation. It is important for this capstone component to be student-driven and future-oriented, with the intent to connect personal strengths and interests with plans for post-graduation and community opportunities.

Homestay with Regent Christian Academy

There's no better way to fully experience Canadian culture than living with a host family, and the bonds you build will last long after you have finished school. Many international students continue to keep in touch with their host families for years after they graduate, and even return to visit for holidays! Our Amerigo team is here to support you every step of the way throughout your experience living with a host family.

International students live in comfortable, safe homestays that are located in proximity to the school. Hosts provide transportation to and from the school daily.

Students will participate in activities periodically which will show them the area and allow them to enjoy the Canadian culture.

Host families and international students are paired through a methodical matching process to ensure they are a good fit.

Students will have a bedroom, including a dresser, desk and closet. Host families will provide breakfast, lunch, and dinner on school days, and three meals per day on weekends.

Safety is always the #1 one priority for our students. All host families undergo a rigorous application and screening process to ensure they are a good candidate to host.

Dining

Whether at the cafeteria lunch table or at your host family's dinner table, meals are a wonderful chance for you to socialize and learn something new about Canadian culture!
