Decodable, systematic synthetic phonic reading books for older readers

Age appropriate, hi-interest, decodable phonics books and workbooks for older, struggling readers. Exciting stories and instantly engaging illustrations will interest even the most reluctant of older readers.

Ideal tools, materials and resources for educators working with reading intervention.

For older students ages 8 to 14+

- Age-appropriate illustrations and story lines that engage and encourage the student to read on
- Reading practice page which prepares the student for reading the text
- Vocabulary page to develop receptive and expressive language
- Highly structured phonic progression
- Reader-friendly layout

Catch-up Reader Workbooks

PHOTOCOPIABLE

The workbooks are integral to the reading program as they include teaching and practice activities to support the learner.

Some activities precede reading the books such as blending, segmenting and phoneme manipulation.

Other activities are directly linked to the reading books and are designed to develop reading fluency, comprehension, spelling, writing, and vocabulary.
