

Operation Round Up is here to help.

Before you apply, here's what you need to know!

The mission of the Operation Round Up Trust is the accumulation and disbursement of funds for charitable purposes. These funds will only be considered for those applicants **residing within the service area** of Delta-Montrose Electric Association (DMEA). They are donated to individuals and organizations for such things as food, shelter, clothing, health needs, education, the arts, etc.

Funds are donated by members of DMEA who elect to have their monthly electric bill rounded up to the next whole dollar. Funds are disbursed by the Operation Round Up Board. The board understands its responsibility to the members to be good stewards of the funds they contribute.

Currently, the Round Up Board receives approximately \$4,400 per month from DMEA Round Up participants. Many times, the board is only able to fund less than half the requests. Although the board would like to assist all applicants, the number of applications and limited resources do not allow funds to be awarded to every applicant.

DMEA has no input into the disbursement of funds and no Round Up funds are applied to any DMEA organizational expenses. Their role is only to collect Round Up funds, receive applications and pass them on to the board. They have **NO** input into the decisions of the Round Up board.

All applications must be **completely** filled out and **signed** to help the board make informed decisions. Incomplete or illegible forms will not be considered.

Funds may be used to pay electric bills; however, the Trust does not encourage this or any other practice which might be viewed as self-serving. Disbursement of funds to help pay electric bills may only happen once per applicant in any 24-month period.

The board meets once each month and reviews all submitted applications. Each application is reviewed by each board member, evaluated on its merits, and approved or denied by a majority vote of the board.

All applicants will be informed by mail of the decision of the board. The employees at DMEA are **prohibited by policy** from informing the applicants of the board's decisions.
