

BAR FRANCINE

At Bar Francine we want everyone to feel welcome and at home every time you are here. We want you to enjoy yourselves and have as much fun with wine as we do. We believe great wine and delicious food is made to be, and is best enjoyed among friends and family you love and care about.

Consider this list a dynamic selection of our current favourite Australian wines with a focus on small and independent producers from around the country. While some of the grapes and styles in this list may be unfamiliar, we can assure you nothing makes it to the list that we don't love to drink ourselves so don't be afraid to try something new and if you are unsure, just ask. If there is something you can't find or wish was on the list, let us know and we will do our best to have it, or something similar for your next visit.

We would like to acknowledge the Turrbul and Jagera people, the traditional owners of the land on which our humble wine bar stands. We wish to pay our respects to their elders past, present and future.
