SS19

Savannah SS19 | Hybrid Skiff

Savannah SS19 | Hybrid Skiff

Our 190IS is perfect for the novice boater that is ready to get out on the water in style. Built with the fisherman in mind, this model offers performance, stability, and every fishing amenity you need for a day out chasing fish. Our deep V hull design, attention to detail, fit and finish set this model set it apart from the competition.

SS19	19' 6"	8' 6"	9"	32 gal.	115
SKIFF	LOA	Beam	Draft	Fuel Capacity	Max HP

Reel in the thrill of the catch!

Our SS19 is built with the family and fisherman in mind. Versatility is key. We offer a full cushion package that is removable converting this model from family cruising to a fishing machine. Rod holders are strategically placed throughout and options to add even more. 9" draft allows access to skinny waters and perfect for sandbar fun with the family.

Premium Upholstery

High-Quality Materials: We use top-tier materials such as marine-grade vinyl, UV-resistant thread, and foam padding that can resist mold and mildew.

Positive Foam Floatation

Flotation foam is strategically placed within the hull and other compartments of the boat to displace water and provide buoyancy.

Leaning Post Storage

This ample storage compartment beneath the leaning post is frequently utilized for storing a variety of items, including fishing tackle, life jackets, and other essential boating gear.
