# Enseo®

CORE CREATE

## ENSEO'S PROPERTY CONTENT MANAGEMENT SYSTEM

WHAT IS ENSEO'S CORE CREATE?

→ Easy-to-use web browser to edit and publish user interface updates with a pre-established format for the property

→ Manage UI content including graphics and pictures

→ A preview of each page under edit

→ Complete system for management of multiple languages

PROPERTIES HAVE ACCESS TO EDIT USER INTERFACE CONTENT FOR ENSEO CORE SYSTEMS

1
Log into CORE Create

2
Select pages and desired edits

3
Send updates to select rooms, all rooms and/or public spaces
