

MISSIONARY QUESTIONNAIRE

The Preliminary Application Form and supporting documents previously completed along with this questionnaire are the Full Application for Appointment document.

CanAmera Baptist Missions International believes that missions, missionaries and churches that plant churches are close to the heart of God and are the heartbeat of the Great Commission. Our desire is to stand behind those who are called and seeking to do the will of God. Our philosophy is that “like will beget like.” CanAmera Baptist Missions International is interested in the planting of soul-winning churches in fulfillment of the “Great Commission.” These new works will be churches that will see souls saved, converts baptized, and believers trained in the Word of God for the work of the ministry.
