# ADDITIONAL

## RECORDING:

Substance requests the permission to record audio and video for archive. Artist shall retain ownership. All material is available per request from the General Manager.

## SECURITY:

Blow-through style barricades have been permanently installed in all potentially hazardous areas for security purposes, with protecting both the talent and patrons in-mind. All specific security protocols and requirements will be reviewed and discussed in advance, in pre-shift meetings, which includes daily pass sheets, details for tour credentials, colors and designated areas assigned to those colors. Substance will provide in-house lanyards and bracelets for various designations, including All Access Artist, All Access Artist Guest, Artist VIP/After-show/Meet & Greet, Working, and Media. The daily pre-shift security and all staff meetings occur 30 minutes before doors open. Tour Representatives are welcome to attend, or a separate briefing can be arranged if needed. Substance, in collaboration with Las Vegas Metro Police Department, and Las Vegas Fire & Rescue, has established a comprehensive plan for both venue evacuations, and lock down in Place protocols. Tour Representatives will receive briefing on day of show, but these protocols are not disclosed in advance for security reasons.
