

BELUGA

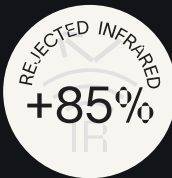

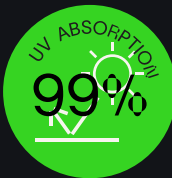

NANO CERAMIC

PROTECTOR

Embrace the zenith of luxury with our Beluga range, where advanced tinting meets unmatched protection. These nanoceramic films not only enhance privacy and reduce interior heat but also reinforce your windows against carjacking, all while blocking 99% of UV rays. Beluga is the epitome of elegance and security in vehicle window film technology. Even with tinted windows, Beluga is a must: Elevate your existing tint with superior sun heat rejection for unmatched performance.

Width available in: 51, 76, 101, 152 cm
