

Lyle Lee Jenkins, PhD Workshops & Training Sessions

Lee's witty style of communication keeps your audience engaged and entertained while his deep knowledge and experience will leave them equipped and inspired! Workshops and training sessions are customized and include a planning meeting with Lee to discuss the goals and objectives for your organization.

Skill, Will & Thrill

Practical strategies create a learning environment where students exceed educational expectations, and their enthusiasm to learn is driven by continued success. Developing skill, will and thrill for students will result in better outcomes and happier kids.

Mathematics That Make Sense

Learning occurs when concepts being taught makes sense. Developing a solid foundation is the key to continued success in mathematics. Practical guidance and hands on tools and techniques simplify the core of learning, supporting future success.

Reading & Writing Made Simple

Ignite the love of reading and writing with the right methods in place. This essential stage of learning does not have to be painful, rather it can be an exciting adventure! Experience a practical and lasting approach to teaching reading and writing making it simple and fun.

"What Lee Jenkins has visualized for education is a vibrant improvement for all students at all grade levels. Lee has the solutions you want for your community."

Jack Canfield, co-author of the Chicken Soup for the Soul Series®

"Lee's leadership and expertise have been instrumental in providing a strong foundation for district-wide vision-centered academic vertical alignment. He has provided Happy Valley staff with tools to design classroom practices that increase student learning and enthusiasm toward education."

Shelly Craig, Superintendent, Happy Valley School District

"I have utilized Lee Jenkins' LtoJ® process for 7 years now in my grade 1 class. I cannot imagine teaching without LtoJ®. Fortunately, our school district is very supportive of the process; but if they ever dropped their support I would continue with LtoJ® anyway."

Angela Willnerd, Grade 1 Teacher, Linden Elementary School

"My friend Lyle Lee has done it! Prepare to enjoy and experience the skill, will, and thrill beyond your expectations as hardworking kids learn to love the joy of lifelong learning."

Mark Victor Hansen, Co-author of Chicken Soup for the Soul Series®

Lyle Lee Jenkins is an author, speaker, consultant, and a recognized expert in improving educational outcomes. He has written several books including *How to Create a Perfect School*, *All About Henry*, his newest release *How to Create a Perfect Home School*, books for early readers and several teaching guides. Lee has spent the last 50 years learning from world-class experts while working as a teacher, principal, school superintendent and university professor. His speaking career has taken Lee across the U.S. plus Latin America, Europe, Asia, Australia, and Canada, and he has taught on-line courses to educators in more than 25 countries. His mission is that every child around the world would have an educational experience that promotes and encourages the natural love of learning that they were born with, while exceeding educational goals.
