- If a tie still exists after steps 1 through 3, FIFA Penalty Kicks will be taken (time and location to be determined by the Tournament Director) prior to the scheduled start of the appropriate game.
- If a three-way tie exists within a bracket after steps 1 through 3, a three-way coin flip will be conducted. The teams that tie in the coin flip will compete in FIFA Penalty Kicks to eliminate one team prior to proceeding to FIFA Penalty Kicks with the third team. The coin flip and time of the FIFA Penalty Kicks will be determined by the Tournament Director at the fields. If ties exist in the determination of a wild card team, criteria 2 through 5 will be applied.

Tournament Format: The following format will be followed based on the number of teams in a flight:

- 4 teams total $-1^{\text {st }}$ and $2^{\text {nd }}$ place finishers play in the finals.
- 5 teams total - each team will play 4 games; there is no final; champion and finalist will be awarded based on total points after all games have been played.
- 6 teams total - top 2 teams based on points between the 2 brackets play in the finals.

Game Day Check-In: At least thirty (30) minutes prior to the start of each scheduled game, a team representative must present to the Field Marshall the team's player cards and game card so the team may be checked in to play and the game started as scheduled. The Field Marshall will retain the game card and the team's player cards until completion of the game. At the end of the game, each team manager or representative will be required to initial on the game card verifying the score for that game before the player cards will be returned. A team who fails to properly check in with the Field Marshall will forfeit that game.

The Tournament Director has the final say on the determination of safety and suitability of each player's equipment, including the wearing of a hard brace and/or hard cast. Shin guards are mandatory for all players.

After the start of a match, it will be the decision of the referee whether or not playing conditions are safe.

Heading Rule: Players 2013 and younger shall not engage in heading. The following rules will apply:

- If a player intentionally heads the ball, the opposition will be awarded an indirect free kick from the point of the infraction.
- If a player (either on offense or defense) intentionally heads the ball within the 18-yard box, the ball will be placed in the nearest corner at the top of the 18 -yard box.

7v7 Game Format: There will be a build-out line painted mid-way between the top of the penalty area and the half-way line in each half. There are no goal kicks in the 7 v 7 games. All restarts are from the goalkeeper's hands. The goalkeeper may release the ball from the hands by rolling or throwing the ball or putting the ball on the ground and playing the ball with the foot. The goalkeeper may not drop kick or punt the ball.

Players on the opposing team must retreat behind the Build-Out line when the ball is in the goalkeeper's possession until the goalkeeper releases the ball. Teammates of the goalkeeper may be located anywhere on the field. The ball is in play when it is released by the goalkeeper; it does not have to leave the penalty area. Once the ball is released by the goalkeeper, the opponents may move inside the build out line. If the goalkeeper releases the ball before the opponents have moved past the build out line then anyone can play the ball after it is released, regardless of whether they have retreated behind the build out line. Players can be penalized for an offside offense between the build out line and the goal line.

Concussion Protocol: Any player showing signs or symptoms characteristic of concussion will be removed from participation/competition. If an athlete who is 17 years of age or younger has been removed from athletic activity due to a suspected concussion, the Tournament will notify a parent or guardian of that athlete of the time and date of the injury, the symptoms observed, and any treatment provided to that athlete for the injury.

The player ID card will be held, and the player will not be allowed to return to play until he/she has a full unconditional medical clearance from a licensed health provider or physician who is trained in
the evaluation and management of concussions and is acting within the scope of his or her practice. The player's card will be returned if a clearance is received or after the player's last game.

The clearance must be on the physician's letterhead and include his/hers wet and/or original signature and display the address of the office location. It is important to note that conditional clearances will NOT be accepted.

Home Team Responsibilities: The Home Team will be the team which appears first on the game schedule. The Home Team will provide a game ball. The game ball is subject to referee approval. The Home Team will be required to switch to an alternate jersey to accommodate a color conflict as declared by the referee. If the Home Team cannot supply an alternate jersey, the Home Team will forfeit the game. Team canopies and benches will be provided. Teams will sit on one side of the field and spectators across on the other side. In all cases spectator and team seating will allow the referee's assistants clear runs and views of all touch lines.

Substitutions: Substitutions are unlimited; however, teams may substitute only with the referee's permission and per CalSouth rules.

Cautions and Ejections: A player or coach receiving two cautions (yellow cards) in a single game is considered to have been given an Ejection (red card) for the purposes of awarding points for the Tournament competition. A player who has been ejected (sent off) will not be replaced. A player or coach who has been ejected will not return for that game and must leave the field of play and will not be allowed to participate in the next scheduled game. A player or coach who is ejected for violent conduct or serious foul play will not be allowed to participate in the next two scheduled games. Any player or coach who assaults a referee will be expelled from the Tournament. A team will be disqualified from the Tournament if any player or coach fails to comply with the provisions of this section. Cards for ejected Players or coaches will be available from the Field Marshal after they have satisfied their penalty.

Protests/Disputes: No protests will be allowed, and all games will be considered final. The Tournament Director will resolve any situation not explicitly covered by the rules. Disputes relating to the interpretation of these rules will be resolved with the Field Marshal and Administrators/Coaches that are registered with the involved team(s). Individuals may not represent a team if not registered as an Administrator/Coach with the involved team(s).

Forfeits/Byes: All teams who forfeit will have the game(s) scored as a $0-1$ loss. The winner will be awarded eight (8) points ( 6 for the win; 1 for a goal and 1 for a shutout). If, at the discretion of the Tournament Director, a forfeit provides an unfair advantage, the Tournament Director may make an adjustment in the bracket. Teams forfeiting their first game will be assumed to forfeit all their games unless they contact the Tournament Director at least 3 hours prior to their subsequent games.

Teams may forfeit for any of the following reasons:

- Teams fail to check in at the required location, ready to play five minutes before the scheduled kick off time
- Home team fails to produce an alternate color jersey if referee determines there is a color conflict
- Teams fail to produce laminated player passes and/or coach's pass before the end of a game
- Teams fail to report to the field with the minimum number of players required to start the game (6 for U8-U10; 7 for U11-U19)
- Coach is ejected and fails to leave the field when directed to do so
- Coach is ejected and there is no other coach or administrator available
- Game is suspended due to the misconduct of players, coaches, administrators, parents or spectators

There will be no refunds to teams who forfeit their own games.
Field Safety/Inclement Weather: The Referee or Tournament Director will determine if a field is safe for play. Teams are expected to show up for scheduled game times unless notified by a tournament official. Rain or other weather conditions will not delay play unless the referee determines the fields are unsafe. If necessary games may be shortened, go directly to FIFA Penalty Kicks, or be cancelled. If a game is terminated due to problems associated with the fields, including lighting for a night game, the team in the lead at the time of stoppage wins. If the Final game cannot be played, the team with the most points in the group stages will be champion. If teams are level on points, tiebreaker rules stated above will apply.

It is recognized and understood upon entry into the Attack Summer Classic that adverse weather is an Act of God and that entrance into this tournament requires acceptance of all decisions regarding the use of the facilities (therefore, potentially, the outcome of competition) by the Tournament Director as final without objection, appeal or compensation whatsoever. There will be no rescheduling of games.
